Theatre Ritual And Transformation The Senoi Temiars:

Theatre, Ritual, and Transformation Sue Jennings, 1995 Shows how the themes of drama play trance music and dance have been found to be fundamental to the practice of good health in a Malaysian culture and how this can be applied to the more general notions of therapy including dramatherapy

Theatre, Ritual and Transformation Sue Jennings, 2018-12-20 Sue Jennings and her three children spent two years on a fieldwork expedition to the Senoi Temiar people of Malaysia Theatre Ritual and Transformation is a fascinating account of that experience She describes how the Temiar regularly perform seances which are enacted through dreams dance music and drama and explains that they see the seance as playing a valuable preventative role in people's lives as well as being a medium of healing and cure Her account brings together the insights of drama therapy and theatre with those of social anthropology to provide an invaluable theoretical framework for understanding theatre and ritual and their links with healing

Ritual Theatre Claire Schrader, 2012 This book considers the relevance of ritual theatre in contemporary life and describes how it is being used as a highly cathartic therapeutic process With contributions from leading experts in the field of dramatherapy the book brings together a broad spectrum of approaches to ritual theatre as a healing system

Creative Arts Therapies Approaches in Adoption and Foster Care Donna J. Betts, 2003 The creative arts therapies which include art dance movement drama music poetry and psychodrama as part of the healing process are successful approaches in working with clients whose lives are touched by adoption and foster care The book reflects the ways in which therapies can be applied to different adoption and foster care settings and represents the spectrum of ideas in current practice

Spaces of Spirituality Nadia Bartolini, Sara MacKian, Steve Pile, 2018-02-15 Spirituality is too often subsumed under the heading of religion and treated as much the same kind of thing Yet spirituality extends far beyond the spaces of religion The spiritual makes geography strange challenging the relationship between the known and the unknown between the real and the ideal and prompting exciting possibilities for charting the ineffable spaces of the divine which lie somehow beyond geography In setting itself that task this book pushes the boundaries of geographies of religion to bring into direct focus questions of spirituality By seeing religion through the lens of practice rather than as a set of beliefs geographies of religion can be interpreted much more widely bringing a whole range of other spiritual practices and spaces to light The book is split into three sections each contextualised with an editors introduction to explore the spaces of spiritual practice the spiritual production of space and spiritual transformations This book intends to open to up new questions and approaches through the theme of spirituality pushing the boundaries on current topics and introducing innovative new ideas including esoteric or radical spiritual practices This landmark book not only captures a significant moment in geographies of spirituality but acts as a catalyst for future work

Routledge International Handbook of Dramatherapy Sue Jennings, Clive Holmwood, 2016-05-20 Routledge International Handbook of Dramatherapy is the first book of its kind to bring together leading professionals and academics

from around the world to discuss their practice from a truly international perspective Dramatherapy has developed as a profession during the latter half of the twentieth century Now we are beginning to see its universal reach across the globe in a range of different and diverse approaches From Australia to Korea to the Middle East and Africa through Europe and into North South America dramatherapists are developing a range of working practices using the curative power of drama within a therapeutic context to work with diverse and wide ranging populations Using traditional texts in the Indian sub continent healing performances in the Cameroon supporting conflict in Israel and Palestine through traditional Comedic theatre in Italy to adolescents in schools and adults with mental ill health this handbook covers a range of topics that shows the breadth depth and strength of dramatherapy as a developing and maturing profession It is divided into four main sections that look at the current international Developments in dramatherapy Theoretical approaches Specific practice New and innovative approaches Offering insights on embodiment shamanism anthropology and cognitive approaches coupled with a range of creative theatrical and therapeutic methods this ground breaking book is the first congruent analysis of the profession It will appeal to a wide and diverse international community of educators academics practitioners students training schools and professionals within the arts arts education and arts therapies communities Additionally it will be of benefit to teachers and departments in charge of pastoral and social care within schools and colleges

Rituals and Music in Europe Daniel Burgos,2024-06-14 This book explores modern European religious and non religious rituals and their main features by focusing on music as a key element required for the full expression of beliefs It specifically examines the relationship between religious non religious pagan cultural celebratory and traditional rituals In doing so this text focuses on the extent to which the rituals overlap replace or feed religious or pseudo religious beliefs to create alternative beliefs individual or collective that systematically ignore any religion The book further analyses the relationship between daily habits holidays sports politics culture and other pagan rituals as forms that represent social feelings by identifying enjoying or impersonating emotions and transversally it explores how music facilitates and fosters those emotions The volume also investigates how rituals coexist and mutually influence each other through a representation of religious and non religious rituals and how music plays a central role in that phenomenology The author argues that music is a key part of various types of rituals e g rites of passage and that music supports and enriches the meaning of the ritual to ultimately strengthen the bond of communication with the individual and the group This monograph appeals to students and researchers working in religious studies and in music theory

Intercultural Dramatherapy Ditty Dokter,Nisha Sajani,2022-12-29 The first overarching work on dramatherapy intercultural practice and research this book explores the therapeutic encounter between therapists and participants as an intercultural space highlighting how attending to cultural differences informs care Drawing on international voices of practitioners and participants each chapter seeks to explore how social and political struggles such as rising global conservatism nationalism climate crisis increasing displacement and the coronavirus pandemic are experienced

in dramatherapy Main themes covered include the development of intercultural good practice guidelines therapist transparency especially through self disclosure and transference issues for the therapist and the negotiation of power relationships across identity differences The book concludes with a section on recommendations for training supervision and practice A resource from which new practice and research can emerge this book will be valuable to dramatherapy educators practitioners and students specifically those interested in intercultural practice **Attractive Performances** Frits

Naerebout,2023-07-17 This book is not another history of the dance in ancient Greece but wants to lay the groundwork on which such a history should properly be build The three preliminary studies offered here are first an extensive historiography of the subject which seeks to illuminate where we stand at present in reference to the large amount of work done on ancient Greek dance for the past 500 years Secondly an exercise in source criticism embracing both texts and imagery in order to establish the limits to which we can push any investigation and thirdly an attempt at model building to provide an explicit theoretical framework for future research This is the first time that some of the approaches of the new dance scholarship which has arisen during the past few decades have been systematically applied to the dancing of the ancient world

Malaysia's Original People Kirk Endicott,2015-11-27 The Malay language term for the indigenous minority peoples of Peninsular Malaysia Orang Asli covers at least 19 culturally and linguistically distinct subgroups This volume is a comprehensive survey of current understandings of Malaysia s Orang Asli communities including contributions from scholars within the Orang Asli community looking at language archaeology history religion and issues of education health and social change as well as questions of land rights and control of resources Until about 1960 most Orang Asli lived in small camps and villages in the coastal and interior forests or in isolated rural areas and made their living by various combinations of hunting gathering fishing agriculture and trading forest products By the end of the century logging economic development projects such as oil palm plantations and resettlement programmes have displaced many Orang Asli communities and disrupted long established social and cultural practices The chapters in the present volume show Orang Asli responses to the challenges posed by a rapidly changing world The authors also highlight the importance of Orang Asli studies for the anthropological understanding of small scale indigenous societies in general
