and religious communities at large With critical facility and unheralded honesty that includes reflexivity about their own lives in the academy the authors tackle complex issues that refuse easy solutions racism hierarchy of theory over practice devaluation of small case studies risks of interdisciplinarity to scholarly identity inequities between Christian traditions unreflective Christian centrism and tensions between the production of scholarship and public service Outcomes of these issues will have serious implications for the discipline and the study of theology for years to come Contributors include Tom Beaudoin Eileen R Campbell Reed Faustino M Cruz Jaco Dreyer Courtney T Goto Tone Stangeland Kaufman Joyce Ann Mercer Bonnie J Miller McLemore Phillis Isabella Sheppard Katherine Turpin Claire E Wolfteich *The Cambridge Companion to American Catholicism* Margaret M. McGuinness, Thomas F. Rzeznik, 2021-06-17 Provides a concise yet comprehensive guide to understanding the complexity and diversity of the American Catholic experience T&T Clark Handbook of Political Theology Rubén Rosario Rodríguez, 2019-10-03 The T and the contributors then build on previously discussed historical resources and methods to engage with contemporary issues and challenges emphasizing interreligious dialogue even while addressing concerns of relevance to a particular faith tradition The volume concludes with three essays that look at the future of political theology from the perspective of each Abrahamic religion Complete with select bibliographies for each topic this companion features the most current overview of political theology that will reach a broader global audience of students and scholars Just Practice Janet L. Finn, 2020-12-01 Just Practice A Social Justice Approach to Social Work provides a foundation for critical and creative social work that integrates theory history ethics skills and rights to respond to the complex terrain of 21st century social work Just Practice puts the field of social work s expressed commitment to social justice at center stage with a framework that builds upon five key concepts meaning context power history and possibility How do we give meaning to the experiences and conditions that shape our lives What are the contexts in which those experiences and conditions occur How do structures and relations of power shape people s lives and the practice of social work How might a historical perspective help us to grasp the ways in which struggles over meaning and power have played out and to better appreciate the human consequences of those struggles Taken together these concepts provide a guide for integrative social work that bridges direct practice and community building The text prepares readers with the theoretical knowledge and practice skills to address the complex challenges of contemporary social work from direct practice with individuals and families to group work organizational and community change and policy analysis and advocacy Each chapter includes learning activities reflection moments practice examples and the stories and voices of practitioners and service users to engage students as critical thinkers and practitioners The author encourages teachers and students alike to take risks move from safe familiar pedagogical spaces and practices challenge assumptions and embrace uncertainty

ASanto! Edwin David Aponte, 2012 An overview of Latino a spiritualities today Protestant Catholic Pentecostal and non Christian and the challenges they bring to Christian theology and ministry Given the context of increasing religious pluralism

and a burgeoning interest in religions religiosity and spirituality within the United States and the knowledge that by the mid twenty first century an estimated 100 million Americans will claim Latin origin an understanding of the varieties of Latino a spirituality becomes essential This book focuses on the ways in which Latinos and Latinas participate in the pursuit and practice of the spiritual or holy santo as part of their lived religion In seven chapters Aponte explores various understandings of santo and its participation in daily life rites of passage and worship The Heavens Are Telling the Glory of God Laurie Brink, 2022-02-05 2023 Catholic Media Association First Place Award Faith and Science Building on the work of Teilhard de Chardin the New Cosmology integrates scientific facts and theories including discoveries about the expanding universe and evolution and proposes that creation is developing into greater complexity But how are we to understand concepts like original sin and redemption if creation isn't complete and humanity is still in process How does one retrofit religious tradition and Scripture into this scenario Is there room for the historical Jesus in the New Cosmology While a ready concern for all Christians this question has unique implications for women religious whose lives are centered on the person and mission of Jesus Christ How is a Catholic sister to understand her vows of poverty chastity and obedience in light of a cosmology in which the need for redemption and the role of Jesus are significantly redefined The Heavens Are Telling the Glory of God probes these questions and offers possible answers Beginning with the experiences of women religious and their encounter with the New Cosmology or Universe Story this book seeks to mediate among the various perspectives and proposes how informed and reflective engagement with science tradition and theology can bridge the generational divides and foster a spirituality that is both emergent and incarnational Access to online discussion and reflection questions is included

Sexual Disorientations Kent L. Brintnall, Joseph A. Marchal, Stephen D. Moore, 2017-11-07 Sexual Disorientations brings some of the most recent and significant works of queer theory into conversation with the overlapping fields of biblical theological and religious studies to explore the deep theological resonances of questions about the social and cultural construction of time memory and futurity Apocalyptic eschatological and apophatic languages frameworks and orientations pervade both queer theorizing and theologizing about time affect history and desire The volume fosters a more explicit engagement between theories of queer temporality and affectivity and religious texts and discourses
