Theology Mirror Scripture Evangelical Christian:

Theology and the Mirror of Scripture Vanhoozer, Kevin J., Treier, Daniel J., 2015-12-09 In this inaugural volume in the Studies in Christian Doctrine and Scripture Daniel J Treier and Kevin J Vanhoozer set forth a programmatic proposal for evangelical theology rooted in the claim that the church's vocation is to mirror the witness of Scripture in its doctrine and discipleship

The Dialectics of Mission Elmer A. Guzman, 2023-09-15 Drawing on the resources of contemporary systematic theologians Kevin Vanhoozer and Veli-Matti Kärkkäinen Elmer A Guzman explores the generative dimension of mission for the formation of doctrine for a church that needs to witness in a pluralistic world Guzman argues that understanding doctrinal formation and development depends on the missional dimension of doctrinal hermeneutics In other words these theological concepts and practices are justified based on the negotiation between theological sources identity markers and the context's diversity markers This book shows how perspectives arising from the structural elements in theological methodology shed fresh light on missional theology and the interconnections between the doctrinal loci in theology

Scripture and Theology Tomas Bokedal, Ludger Jansen, Michael Borowski, 2023-08-21 The academic disciplines of Biblical Studies and Systematic Theology were long closely linked to one another However in the modern period they became gradually separated which led to increasing subject specialization but also to a lamentable lacuna within the various branches of Divinity As the lack of dialogue between Biblical Studies and the various theological disciplines increased a minority group of scholars in the past few decades reacted and sought to re-establish the time honoured bonds between the disciplines The present volume is part of this intellectual response with contributions from scholars of various professional and denominational backgrounds Together the book's 25 chapters seek to reinvigorate the crucial cross-disciplinary dialogue involving biblical narrative historical systematic theological and philosophic theological perspectives The book opens the horizon to contemporary research and fills a lamentable research gap with a number of fresh contributions from scholars in the respective sub-disciplines

Enacting Atonement Roy McDaniel, 2025-11-04 Discover the story of salvation in Christ through Levitical rituals Atonement lies at the heart of the Christian faith In Christ's work of atonement we are reconciled to God enabled to draw near to him and can see his glory Through studying the Levitical burnt offering Roy McDaniel takes readers on a deep exploration of Leviticus 1:1-9 in this thought provoking volume part of the Studies in Christian Doctrine and Scripture series from IVP Academic Using elements of narrative analysis like setting plot and hero McDaniel shows how the Levitical burnt offering is a ritual recapitulation of the narrative of Israel's election and deliverance as depicted in Genesis and Exodus and how in doing so it proclaims the atoning work of Christ At the heart of this work lies the logic of atonement present in the Levitical burnt offering an idea that contributes to the doctrine of atonement by demonstrating how Christ's incarnate sacrifice is rooted in his eternal identity as God the Son In Enacting Atonement Roy McDaniel Provides a coherent account of atonement centered on the eternal identity of the Son Shows how Levitical sacrifice can inform the

church's doctrine of atonement by modeling a careful theological exegesis of Leviticus and Explores questions about the meaning of sacrifice and its relationship to the being and attributes of God Whether you're a scholar, student, pastor, theologian, or a layperson seeking deeper understanding Enacting Atonement invites you to uncover the rich tapestry of God's redemptive narrative in the Levitical ritual *Local and Universal* C. Ryan Fields, 2024-02-06 How might we reclaim the universality of the church without losing its local situatedness In this SCDS volume C. Ryan Fields juxtaposes the Free Church tradition with its Episcopal counterpart arguing that the Free Church tradition can helpfully inform our understanding of the one body of Christ while remaining true to its local roots *Reading the Bible Theologically* Darren Sarisky, 2019-01-17 Examines what theological reading is and how it shapes the interpretation of Biblical text through explicit focus on the reader

Evangelicals Engaging in Practical Theology Helen Morris, Helen Cameron, 2022-03-30 This book aims to introduce a distinctively evangelical voice to the discipline of practical theology Evangelicals have sometimes seen practical theology as primarily a liberal project This collection however actively engages with practical theology from an evangelical perspective both through discussion of the substantive issues and by providing examples of practical theology done by evangelicals in the classroom the church and beyond This volume brings together established and emerging voices to debate the growing role which practical theology is playing in evangelical and Pentecostal circles Chapters begin by addressing methodological concerns before moving into areas of practice Additionally there are four short papers from students who make use of practical theology to reflect upon their own practice Issues of authority and normativity are tackled head on in a way that will inform the debate both within and beyond evangelicalism This book will therefore be of keen interest to scholars of practical evangelical and Pentecostal theology

The Paradox of Sonship R. B. Jamieson, 2021-05-25 What does the epistle to the Hebrews mean when it calls Jesus Son Pastor and New Testament scholar R. B. Jamieson probes the complexity of the Christology presented in the epistle to the Hebrews Exploring the paradox of this key term Jamieson argues that Son names both who Jesus is eternally and what he becomes at the climax of his incarnate saving mission

The Trinity in the Book of Revelation Brandon D. Smith, 2022-12-27 With its vivid imagery and rich prophetic language the book of Revelation confronts and confuses readers perhaps more than any other Biblical book Brandon Smith brings clarity by reading Revelation primarily as John's faithful vision of the triune God and in doing so helps us better worship the one who is Father Son and Holy Spirit

The Pursuit of Safety Jeremy Lundgren, 2024-10-01 In this constructive theological analysis of safety theologian Jeremy Lundgren addresses the conceptual development of safety through premodern early modern and late modern settings and gives practical guidance on how to faithfully engage the pursuit of safety in the present day
