amazing book to me A Reader **Empowering Spirit Wisdom** Kevin Hunter,2014-02-15 In Empowering Spirit Wisdom Kevin Hunter relays heavenly guided messages for everyday life concerns As a soul living a physical life you require basic necessities to function and live a more prosperous life The things that tend to consume most people on a regular basis are relationships health home and career Two of the biggest topics people tend to ask about most are matters related to love and work Everyone wants to be happy at their job and or they want a successful partnership with a loving soul mate It s not enough to be connected spiritually but you also have practical desires in order to function more efficiently on Earth Some of the topics covered in Empowering Spirit Wisdom are guidance and discussions surrounding your own soul spirit and the power of the light the more realistic side of the laws of attraction finding meaningful work transforming your professional and personal life attracting in love navigating through the various stages of dating and love relationships as well as other practical affirmations and messages from the Archangels Author Kevin Hunter passes on the sensible wisdom from his Spirit team in this Light filled inspirational book What Readers Have Said I enjoyed the chapters on love and relationships the most I really like how the author expresses things directly and very energetically A Reader I loved the manifesting chapter in this book Empowering Spirit Wisdom How many times do we think and immediately deny it because we feel so undeserving or we don t believe it can happen I will put into practice what the author suggests from now on in taking care of my thoughts and making them more positive A Reader Holy smokes I don t even have to pester anyone because all the questions I ve had seemed to pretty much get answered in this book The author comes off so loving and so awesome A Reader I really enjoyed Empowering Spirit Wisdom and I am glad that I found an author of books that are in alignment with my beliefs A Reader This is the first time for me reading one of Kevin Hunter s books I was curious what a Warrior of Light would have to say on Love Career and the Spirit World because I consider myself being a kind of warrioress within To me the language of the author is quite energetic and committed He and his Spirit team come straight to the point No glossing over no beating about the bush but clear information instead Which actually is very encouraging because our abilities and responsibilities as humans are also addressed directly I very much enjoyed the chapters on love and relationships because they speak from the heart This book provides a lot of interesting and important information Sometimes it feels like a sheer stream of insights that come along like waves I loved it A Reader **Twin Flame Soul Connections** Kevin Hunter,2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they re a spark shooting out of God s love that explodes into a blinding white fire that breaks apart causing one to be two until two become one again separate and whole and back around again Looking into the eyes of your Twin Flame is like looking into the eyes of God because to know love is to know God When one thinks of a Soul Mate or Twin Flame they might equate it to a passionate romantic relationship where you re making love on a white sandy palm tree lined beach in paradise for the rest of your lives This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel It is also an unrealistic and

misguided interpretation of the Soul Mate or Twin Flame dynamic Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames and how to identify if you've come into contact with your Twin Flame or if you know someone who has The ultimate goal is not to find one's Twin Flame but to awaken one's heart to love and to work on becoming complete and whole as an individual soul through spiritual self mastery life lessons growth and raising your consciousness Your soul's life was born out of love and will die right back into that love Chapter Topics Include Karmic Soul Connections Soul Mate Soul Connections The Twin Flame Craze The Birth of Twin Flames Masculine Feminine Yin and Yang The Light and Dark Higher and Lower Energies Twin Flames The Romantic and Non Romantic Twin Flames Age and Location Twin Flames Example Couples Twin Flames Genders Gay Straight Homosexual Heterosexual Twin Flames Runner Chaser Push and Pull Twin Flames Mirrors Goals Missions and Purposes Technology Strengths and Challenges Twin Flames Coming Together Is This Person My Twin Flame Twin Flames Spiritual Growth Twin Flames Recapping the Truths and Myths of Twin Flames The Twin Flame Summary Cheat Sheet
