Cut & Run Abigail Roux, 2024-06-10

When the book meets off the record, the story's just starting. Special Agent Ty Grady is pretty sure he's about to get fired. His last perp skipped town before he could make an arrest, leaving him with a lot of means and precious few ends. When he's called into the boss's office, he expects the worst. And he isn't exactly wrong. Chained to a desk in cybercrimes, Special Agent Zane Garrett dots his i's and crosses his t's. He doesn't have much of a choice in the matter; his record can't handle another black mark. When he learns he's getting reassigned, he doesn't miss the ironic pronunciation on promotion. Wherever he's going, it's nowhere good. When they're partnered to solve a series of murders, their chances of success look low. They're fantastic agents, but the case seems more like a punishment than an assignment. They can't stop driving each other crazy, and not just in a bad way. This killer already took out the previous agents assigned to the case, and it's not long before he's on Ty and Zane's trail as well. They'll

have to set their frustrations aside before it's too late This is a limited re release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on [RiptidePublishing.com](#) for content warnings

Touch & Geaux Abigail Roux,2013-04-08 After having their faces plastered across the news during a high profile case FBI Special Agents Ty Grady and Zane Garrett have become more useful to the Bureau posing for photo ops than working undercover Just as Zane is beginning to consider retirement a viable option Ty receives a distress call from a friend leading them to a city rife with echoes from the past New Orleans wears its history on its streets and it's the one place Ty's face could get him killed Surrounded by trouble as soon as they land Ty and Zane are swiftly confronted with a past from which Ty can't hide one with a surprising connection to Zane's As threats close in from all directions both men must come to terms with the lives they've led and the lies they've told They soon discover that not all their secrets are out yet and nothing lasts forever

Ball & Chain Abigail Roux,2014-03-17 Home from their unexpected deployment the former members of Marine Force Recon team Sidewinder rejoin their loved ones and try to pick up the pieces of the lives they were forced to leave behind Ty Grady comes home to Zane Garrett only to find that everything around him has changed even the men he went to war with He barely has time to adjust before his brother Deuce asks Ty to be his best man But that isn't all Deuce asks Ty to do and Ty must call for backup to deal with the business issues of Deuce's future father in law Nick O Flaherty and Kelly Abbott join Ty and Zane at the wedding on an island in Scotland thinking they're there to assuage Deuce's paranoia But when bodies start dropping and boats start sinking the four men get more involved with the festivities than they'd ever planned to With the clock ticking and the killer just as stuck on the isolated island as they are Ty and Zane must navigate a veritable minefield of family friends and foes to stop the whole island from being destroyed

Fish & Chips Abigail Roux,2024-06-24 Their romance is entering rough waters After almost dying on their hiking trip Special Agents Ty Grady and Zane Garrett have a moratorium on the word vacation This makes it hard to discuss their newest case an undercover operation aboard a cruise ship in the Caribbean Their mission is to collect information by posing as Corbin and Del Porter a pair of wealthy international smugglers who also happen to be happily married It takes less acting than either man expects and not just because both smugglers are out and proud Del is a coddled trophy husband with a penchant for short shorts while Corbin is possessive and jealous happiest with cards in one hand and an expensive drink in the other As they settle into their roles the lines around what's pretend and what's real begin to blur Even undercover Corbin and Del have big problems They have an enemy aboard the ship though whether it's their criminal connections the authorities or some mysterious third party isn't clear No one on this ship trusts anyone else and if Ty and Zane can't change that they're going to end up dead This is a limited re release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on [RiptidePublishing.com](#) for content warnings
