Wat Mij Betreft Memoires Van Corrie Brokken:

Wat mij betreft Corry Brokken, 2000 **Reverberations of Nazi Violence in Germany and Beyond** Stephanie Bird, Mary Fulbrook, Julia Wagner, Christiane Wienand, 2016-02-25 Reverberations of Nazi Violence in Germany and Beyond explores the complex and diverse reverberations of the Second World War after 1945 It focuses on the legacies that National Socialist violence and genocide perpetrated in Europe continue to have in German speaking countries and communities as well as among those directly affected by occupation terror and mass murder Furthermore it explores how those legacies are in turn shaped by the present The volume also considers conflicting unexpected and often dissonant interpretations and representations of these events made by those who were the witnesses victims and perpetrators at the time and also by different communities in the generations that followed The contributions from a range of disciplinary perspectives enrich our understanding of the complexity of the ways in which a disturbing past continues to disrupt the present and how the past is in turn disturbed and instrumentalized by a later present **Our Library** Lisa J. Amstutz, 2020 The library is a very important place in our community Lots of community helpers work at libraries Readers will learn about who works at a library what the workers do and what makes a library special Simple at level text and vibrant photos help readers learn all about libraries in the community Tweehonderd jaar rechters M.
