Watch Out For The Bears:

The Book of Not Entirely Useful Advice A.F. Harrold, 2021-03-23 From acclaimed writer A F Harrold comes a riotous poetry collection that encourages readers to think critically perfect for fans of Shel Silverstein Packed with silly rhymes and witty wordplay A F Harrold s poetry is positively bursting with fun and advice But it s not always the most useful Never apologize to a door you ve walked into unless it s a really special door Don t serve a cat soup when the cat wants jelly Tomato soup won t fill a feline belly Don t put a rock in a roll unless you hate having teeth Among the seemingly nonsensical stanzas on onions sausages and kilted koalas are exercises in critical thinking what advice should readers follow and what should they dismiss Harrold s short clever poems work seamlessly alongside Mini Grey s vibrant art to create visual gags that will have readers in stitches Both silly and poignant this book is perfect for curious readers poets and cabbages everywhere

Look a Polar Bear in the Eye Zac Unger, 2013-01-29 In this humorous mix of travelogue and memoir a writer temporarily moves his California family north to Canada s Polar Bear Capital of the World Welcome to Churchill Manitoba Year round human population 943 Yet despite the isolation and the searing cold here at the arctic s edge visitors from around the globe flock to the town every fall driven by a single purpose to see polar bears in the wild Churchill is The Polar Bear Capital of the World And for one unforgettable bear season Zac Unger his wife and his three children moved from Oakland California to make it their temporary home But they soon discovered that it s really the polar bears who are at home in Churchill roaming past the coffee shop on the main drag peering into garbage cans scratching their backs against fence posts and front doorways Where kids in other towns receive admonitions about talking to strangers Churchill schoolchildren get Let s All Be Bear Aware booklets to bring home Lesson number 8 Never explore bad smelling areas Zac Unger takes readers on a spirited and often wildly funny journey to a place as unique as it is remote a place where natives tourists scientists conservationists

and the most ferocious predators on the planet converge In the process he becomes embroiled in the controversy surrounding polar bear science and finds out that some of what we've been led to believe about the bears imminent extinction may not be quite the case But mostly what he learns is about human behavior in extreme situations and also why you should never even think of looking a polar bear in the eye **Records of Sport and Military Life in Western India**

Wilson,2021-10-15 Owen 9 By George C Wilson It's a football story seldom told Owen 9 is not a tale of triumphant champions or of loveable losers finding a way to win It's the story of the players and coaches of a bad high school football team in a fading Michigan town as they stumble through a season marked by constant failures many comical and a few sad as they face the inevitability of a winless season On the field and off the antics and misadventures of the players provide comic balance to their coaches frustration with their irredeemable losing streak and the temperamental school administrators who threaten to cancel the entire football program Despite the book's plentiful uproarious and enthralling scenes Owen 9 is also a uniquely heartwarming story about high schoolers navigating love and loss and the coaches and families who either cheer them on or drag them down With the world's worst luck will the Bear River Bears ever catch a break or will they go Owen 9
