## **Wavell Soldier And Statesman:**

**Wavell** Victoria Schofield, 2011-02-23 Archibald Wavell's life and career makes a marvelous subject. Not only did he reach the highest rank Field Marshal and become an Earl and Viceroy of India but his character was complex. He joined the Black Watch in 1901. He stood out during the Great War quickly earning the Military Cross but losing an eye. He was at Versailles in 1918 but between the Wars his career advanced with Brigade and General commands notably in Palestine where he spotted Orde Wingate. By the outbreak of war he was GOC in C Middle East. Early successes against the Italians turned into costly failures in Greece and Crete and Wavell lost the confidence of Churchill. Their temperaments differed completely. Wavell was sent to India as C in C. After Pearl Harbor Wavell was made Supreme Allied Commander for the SW Pacific and bore responsibility for the humiliating loss of Singapore. He quickly recognized that it could not be held. Problems in Burma tested Churchill's patience and he was removed from command to be Viceroy and Governor General of India. As civil unrest and demands for independence grew in 1947 Prime Minister Attlee replaced Wavell with Mountbatten who oversaw Partition. Wavell died in 1950 after a life of huge achievement tempered with many reverses most of which were not of his making.

Wavell Victoria Schofield, 2006-01-01 Wavell was one of Britain's great military leaders. With extraordinary resilience he faced triumph and disaster in the Middle East, Africa and Asia. His renowned victory in the Western Desert was matched by the ignominy of the surrender at Singapore and the evacuation from Burma. Wavell's appointment as Viceroy of India was even more challenging as he began its arduous move to independence. Yet behind such distinction lay an enigmatic man equally celebrated for his unexpected silences as for his prolific memory and love of poetry. Drawing upon unpublished letters and diaries together with interviews with the last surviving generation who knew him she reveals the hopes, fears and the difficulties Wavell faced. Appointed and yet chastised by Winston Churchill the failure of one of the most important relationships of WW2 is laid bare. From this beautifully written well researched book Wavell emerges as a man of tremendous sensitivity, a soldier and a statesman for whom duty was paramount and who despite his taciturn behaviour inspired exceptional loyalty. In a world where the origins of today's conflicts lie in yesterday's wars the story of Wavell's life holds a timeless fascination.

**Soldiers as Statesmen** Peter Dennis, Adrian Preston, 2020-12-22 The Duke is a soldier, a bad education for a statesman in a free country. Sir Walter Scott's fear of the political soldier has long been part of Western political life. Yet although many countries would have preferred to keep the military out of politics few have been successful. Originally published in 1976 this book examines the careers of five distinguished twentieth century soldiers and assesses their contribution as statesmen. Hindenburg, Byng, Franco, Eisenhower and De Gaulle all came into political life in different circumstances but none did so in the name of the profession or to establish a praetorian state. Each was a professional soldier who found himself drawn into the political arena. Each of these essays illuminates one aspect of the range of political, sociological and historical issues which now surround the interrelationship of civil and military. At a time when the tensions of

democracy both internally and externally impose increasing pressure on the role of the military in society it is important to study the history of soldiers as statesmen      *Australia's War with France* Richard James,2017-09-05 1941 Great Britain is fighting for its very existence France has surrendered and installed Marshal Ptain an ageing reactionary as head of a hostile new government at Vichy The Allied outpost in Egypt and the Suez Canal its strategic jewel are threatened on both sides To the west Rommel is rampaging through North Africa To the east the Germans are arming rebels and fostering an uprising in British Iraq Churchill s cabinet is reeling after disastrous campaign in Greece There are fears of a German takeover in Vichy controlled Syria and Lebanon where a languishing French colonial army may fall in line with the Nazis Churchill orders a disgruntled General Wavell to take the offensive assuming that the French will not put up a fight against an Allied show of force The only troops available are a division of Australians the 7th untested recruits digging ditches in the Egyptian desert This is the story of how the 7th Division came to fight against the Army of the Levant Australia against France in the rocky hills of Lebanon and the barren wastes of Syria Contrary to Churchill s expectations the French resisted viciously The Australians won the war but at the price of more than 400 young men sons of Anzacs who had fought to defend France in the trenches of the western Front The British were embarrassed the campaign was forgotten and the Australians who fought were dubbed the silent men No contemporary Australian historian has studied the conflict British and French accounts exist but fail to do justice to the Australian contribution Through interviews with the veterans archival records and on the ground research this book seeks to understand a neglected campaign and give it a proper place in Australian history      **Gandhi** Jad Adams,2012-05-01 Provocative Adams strips away Gandhi s saintly aura and explores the duality of India s most famous leader Financial Times Jad Adams traces the course of Gandhi s multi faceted life and the development of his religious political and social thinking over seven tumultuous decades from his comfortable upbringing in a princely state in Gujarat his early civil rights campaigns his leadership through civil disobedience in the 1920s and 1930s that made him a world icon and finally to his assassination by a Hindu extremist in 1948 only months after the birth of an independent India An elegant and masterly account of one of the seminal figures of twentieth century history Adams presents for the first time the true story behind the man whose life may truly be said to have changed the world      *Norms and Politics* Arvind Elangovan,2019-04-08 During the twilight of British rule in India a little known civil servant Sir Benegal Narsing Rau 1887 1953 was sought after by the ruling elites both British and Indian for his immense knowledge of the nature and working of the constitutions of the world as well as his reputation for being just and impartial between competing political interests Yet Rau s ideas and his voice have largely been forgotten today By examining Rau s constitutional ideas and following their trajectory in late colonial Indian politics this book shows how the process of the making of the Indian constitution was actually never separated from the politics of conflict that dominated this period This book demonstrates that it is only by foregrounding this political history that we can simultaneously remember Rau s critical contributions as well as understand why he was forgotten in the first

place     **Kashmir in Conflict** Victoria Schofield, 2021-02-25 Why has the valley of Kashmir famed for its beauty and tranquillity become a major flashpoint threatening the stability of a region of great strategic importance and challenging the integrity of the Indian state This book examines the Kashmir conflict in its historical context from the period when the valley was an independent kingdom right up to the struggles of the present day Located on the borders of China Central Asia and the Sub Continent the insurgency in the valley has also created serious tensions between India and Pakistan Drawing upon research in India and Pakistan as well as historical sources this book traces the origins of the state in the 19th century and the controversial sale by the British of the predominantly Muslim valley to a Hindu Maharaja in 1846 Through an exploration of the implications for Kashmir of independence in 1947 it gives a critical account of why for Kashmir self determination may seem a more attractive option than affiliation to a larger multi racial whole     The First Victory Andrew Stewart, 2022-06-24 Exciting a comprehensive account of an overlooked campaign in which an outnumbered imperial army destroyed Mussolini's dream of a new Roman Empire Ashley Jackson author of Churchill Surprisingly neglected in accounts of Allied wartime triumphs this is the story of the British and Commonwealth forces who against all odds completed a stunning and important victory in East Africa against an overwhelmingly superior Italian opponent in 1941 A hastily formed British led force never larger than 70 000 strong advanced along two fronts to defeat nearly 300 000 Italian and colonial troops This compelling book draws on an array of previously unseen documents to provide both a detailed campaign history and a fresh appreciation of the first significant Allied success of the war Andrew Stewart investigates such topics as Britain's African wartime strategy how the fighting forces were assembled most from British colonies none from the U S General Archibald Wavell's command abilities and his difficult relationship with Winston Churchill the resolute Italian defense at Keren one of the most bitterly fought battles of the entire war the legacy of the campaign in East Africa and much more The First Victory is that rarity of military history groundbreaking research combined with first rate narrative skills Open Letters Includes maps and photographs     *Churchill's Secret War* Mudhusree Mukerjee, 2011 Large Print     *Sword and Baton Volume 1: 1900 to 1939* Justin Chadwick, 2017-02-05 *Sword and Baton* is a collection of 86 biographies representing every Australian Army officer to reach the rank of major general from Federation to the outbreak of World War II This is the first of two volumes and its scope is broad including chaplains general surgeons general and British Army officers who served with the AIF or the permanent forces Author Justin Chadwick portrayal of these officers careers provides a lens through which he examines trends such as the development of military skills which ensured that by the commencement of hostilities in 1914 Australia boasted a pool of well trained albeit inexperienced officers The effects of command under pressure of war and the enormous physical impact of combat are likewise portrayed in these comprehensive biographies By the end of hostilities Australian officers had garnered immense experience and were among the best in the Allied forces Ironically this hard won skill base was to be all but lost in the interwar period *Sword and Baton* offers its readers more than a series of biographies Rather it

describes a crucial period in Australian military history through the lives of the extraordinary men at its head

## Unveiling the Magic of Words: A Review of "**Wavell Soldier And Statesman**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Wavell Soldier And Statesman**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
