Arthur James Wells

Way Of Love Athlone Contemporary European Thinkers:

Way of Love Luce Irigaray, 2004-07-22 The Way of Love asks the question How can we love each other Here Luce Irigaray one of the world s foremost philosophers presents an extraordinary exploration of desire and the human heart If Western philosophy has claimed to be a love of wisdom it has forgotten to become a wisdom of love We still lack words gestures ways of doing or thinking to approach one another as humans to enter into dialogue to build a world where we can live together

Proceedings and Addresses of the American Philosophical Association American Philosophical Association, 2002 List of members in v 1 **Feminist Perspectives on Land Law** Hilary Lim, Anne Bottomley, 2007-04-11 The first book to examine the critical area of land law from a feminist perspective it provides an original and critical analysis of the gendered intersection between law and land ranging land use and ownership in England and Wales to Botswana Papua New Guinea and the Muslim world The authors draw upon the diverse disciplinary fields of law anthropology and geography to open up perspectives that go beyond the usually narrow topography and cartography of land law Addressing an unorthodox variety of sites where questions of women s access and rights to land are raised this book includes chapters on shopping malls ancient monuments nature reserves housing estates the family home An interdisciplinary and enlivening account of feminist perspectives on land law it is an excellent addition to the bookshelves of students and researchers in legal studies gender studies social anthropology and social geography **The British National Bibliography** Arthur James Wells, 2009

Bibliografisch Repertorium Van de Wijsbegeerte, 2003 Feminism and the Power of Love Adriana García-Andrade, Lena Gunnarsson, Anna Jónasdóttir, 2018-04-17 The power of love has become a renewed matter of feminist and non feminist attention in the 21st century s theory debates What is this power Is it a form of domination Or is it a liberating force in our contemporary societies Within *Feminism and the Power of Love* lies the central argument that although love is a crucial site of gendered power asymmetries it is also a vital source of human empowerment that we cannot live without Instead of emphasizing either or this enlightening title puts the dualities and contradictions of love center stage Indeed by offering various theoretical perspectives on what makes love such a central value and motivator for people this title will increase one s understanding as to why love can keep people in its grip even when practiced in ways that deplete and oppress In light of such analyses the contributions within *Feminism and the Power of Love* present new perspectives on the conditions and characteristics of non oppressive mutually enhancing ways of loving Bridging the gap between Feminist Affect Studies and Feminist Love Studies this book will appeal to undergraduate and postgraduate students including postdoctoral researchers interested in fields such as women s and gender studies sociology political science philosophy cultural studies and sexuality studies *Journal of the American Musicological Society* American Musicological Society, 1995

Spiritually-Engaged Knowledge Jennifer Crawford, 2017-03-02 In a supposedly global age which not everyone accepts the late Dr Jennifer Crawford has brought together a range of disciplines in her creation of a unified sensitive way of knowing

for the global era Drawing upon her academic and lived experience in philosophy environmental science social work and feminism together with a deep spiritual commitment Jennifer Crawford has deftly woven together complex ideas in her reconceptualisation of global justice Spiritually Engaged Knowledge The Attentive Heart is framed within the author's troubling encounters in India recounted in the Prologue and Epilogue These transformative experiences inspired her multi disciplinary exploration of justice which took her beyond the boundaries of Western epistemology Locating the global the author defines what it is to be a member of a global community in which cross cultural encounters bring forth the possibility of new genre of knowledge Crawford situates her argument within contemporary philosophical contexts drawing upon postmodern discourse globalisation theory and the realisation of shared horizon for all human knowledge which offers up a potential for knowing globally Crawford takes the reader through feminist theory the ethic of care the craft of othering surrender to the other and to our relationship with the earth which she argues can be reconfigured into an ethically based way of knowing Drawing on a range of belief systems including Australian Aboriginal spirituality Christianity Buddhism Hinduism metaphysics and Western philosophy Crawford rebuilds an inclusive compassionate redefinition of care for the new millennium which she calls spiritually engaged knowledge

Misrecognitions Joshua B. Davis, 2018-11-02 This collection brings together prominent thinkers from numerous disciplines to address the legacy of Gillian Rose for political theology today Rose's work is notorious for its eclectic range difficult style and iconoclastic defiance of the conventions of postmodern critical theory The theologians religious scholars ethicists and theorists in this collection discuss Rose's relationship to such topics as the Frankfurt School social theory feminism literature law Hegel Kant and psychoanalysis They situate her work within the wider context of political theology as it is understood in religious studies and continental philosophy Though attentive to the theoretical issues raised by Rose's work these essays also engage the role that work may play in political action today examining issues such as refugee immigration in Europe the rise of nationalism

and anticapitalist political organizing The collection is a vital contribution to the rising body of literature on Rose and her importance to political philosophy ethics and theology but it will also serve as an important orienting guide for readers new to Rose s work and its demanding style
