Ways Knowing Selected Dodson Kevin:

The Philosopher's Index ,1995 An international index to philosophical periodicals **Critical Theory and the Humanities in the Age of the Alt-Right** Christine M. Battista,Melissa R. Sande,2019-06-22 This edited collection uses critical theory in order to understand the rise of the Alt Right and the election of Donald Trump and in doing so to assert the necessity and value of various disciplines within the humanities While neoliberal mainstream culture has expressed shock at the seemingly expeditious rise of the Alt Right movement and the outcome of the 2016 United States presidential election a rich tradition of theory may not only explain the occurrence of this phenomenon but may also chart an alternative understanding of the movement revealing the persistence of right wing populism throughout the twentieth and twenty first centuries Though the humanities have seen themselves undervalued and under attack in recent years the historical and cultural contextualization of the current moment via theory is a means of reaffirming the value of the humanities in teaching the ever important and multifaceted skill of critical literacy This book re affirms the humanities particularly the study of literature theory and philosophy through questions such as how the humanities can help us understand the here and now

Southwest Philosophical Studies ,1996 **The Best American Nonrequired Reading 2003** Dave Eggers,2003 A collection including new fiction essays satire journalism among others intended for a young audience high schoolers and college students **Assembly** West Point Association of Graduates (Organization),1994 **Values and Education** ,2021-10-25 This book brings together eighteen essays on education and matters of evaluative concern to which it gives rise The essays range from discussions of basic issues on the nature of education and the importance of its two sides teaching and learning to practical issues that bear on curricular development Several of the authors focus on liberal education and its place in a liberal state Some authors take up the topic of moral education while others examine the notion of multicultural education Broad social issues of educational opportunity and affirmative action are also considered A number of authors speak to educational reforms and conditions in particular countries including Italy Canada and the United States For anyone with an interest in formal education or a love of life long learning the essays in this book offer fresh ideas for reflection

Narrow River, Wide Sky Jenny Forrester,2017-05-09 In the vein of *The Liar's Club* and *The Glass Castle* Jenny Forrester's memoir perfectly captures both place and a community situated on the Colorado Plateau between slot canyons and rattlesnakes where she grew up with her mother and brother in a single wide trailer proudly displaying an American flag Forrester's powerfully eloquent story reveals a rural small town comprising God fearing Republicans ranchers Mormons and Native Americans With sensitivity and resilience Forrester navigates feelings of isolation an abusive boyfriend sexual assault and a failed college attempt to forge a separate identity As young adults after their mother's accidental death Forrester and her brother are left with an increasingly strained relationship that becomes a microcosm of America's political landscape *Narrow River Wide Sky* is a breathtaking determinedly truthful story about one woman's search for identity within the

mythology of family and America itself *Everything is Choreography* Kevin Winkler,2021-11-01 From *The Best Little Whorehouse in Texas* to *My One and Only* and *Grand Hotel* Tommy Tune helped develop and realize some of the most memorable Broadway shows of the late 20th century Based on access to Tune's inner circle and interviews with Tune himself *Everything is Choreography* The Musical Theater of Tommy Tune covers the career of this celebrated dancer singer actor choreographer and director in full *The Ethics of Surveillance in Times of Emergency* Kevin Macnish,Adam

Henschke,2024-02-16 This book draws from the use of modern surveillance technologies during the COVID 19 pandemic to explore a set of issues and challenges facing decision makers and designers in times of emergency how do we respond to emergencies in ways that are both consistent with democratic and community principles and that are ethically justifiable

Social Trust Kevin Vallier,Michael Weber,2021-04-26 With increasingly divergent views and commitments and an all or nothing mindset in political life it can seem hard to sustain the level of trust in other members of our society necessary to ensure our most basic institutions work This book features interdisciplinary perspectives on social trust The contributors address four main topics related to social trust The first topic is empirical and formal work on norms and institutional trust especially the relationships between trust and human behaviour The second topic concerns trust in particular institutions notably the legal system scientific community and law enforcement Third the contributors address challenges posed by diversity and oppression in maintaining social trust Finally they discuss different forms of trust and social trust Social Trust will be of interest to researchers in philosophy political science economics law psychology and sociology
