*Wisdom for Everyday Life from the Book of Revelation* Richard Veras, 2010 The book of Revelation you might find it fascinating you might find it incomprehensible but either way you probably dont think it has much to say about everyday Christian life A beast with seven heads locusts with human faces Death on a pale horse what could any of this possibly have

to do with whether or not you gossip about your colleagues or cheat on your taxes Everything according to Father Richard Veras The symbolic language of Revelation underscores such foundational truths as Gods inescapable presence there is no time place or situation in which he is not to the fact that the army of the beast is not made up of aliens it is made up of hardened human hearts Father Verass lively exploration of this apocalyptic book will help you understand the ongoing spiritual battle for humanity and the choices you need to make now in order to stand victorious with Jesus at the end of time

**Uncharted Waters** Samuel J. Villa, 2017-10-19 God wants to speak to us In life sometimes things arent as they seem The harbor looks so peaceful so comfortable but is it We search for satisfaction anchored in the harbor but God has called us for a life of bold adventure out in the uncharted waters In opposition the world distracts us with the illusion that material possessions prestigious titles and superficial beauty will deliver satisfaction This distraction creates an insatiable thirst for peace that cant be quenched without a close relationship with God When we leave the seemingly safe confines of the harbor and explore the deep life giving waters we find truth and fulfillment of our identities in Him Reducing the distractions of our busy lives while connecting with God and other believers in community will transform and transport us to our God given destinations These revelations provide us the peace we have been seeking all along Are you ready to answer the call

**The Greatness of God** Charles Frank Thompson, 2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In The Greatness of God Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose

and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God's creation. He concludes with an exploration of the millennium, the eternal kingdom of God, and the spiritual state of America and Europe today.

**The Sword of Solomon** Dr. Forrest L. Walker Sr., 2014-02-24

The sword for the word of God is living and powerful and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discernor of the thoughts and intents of the heart. Heb 4:12

In defining a sword, we know that it is a bladed weapon used primarily for cutting or thrusting. The sword consists of a straight blade with two edges, usually extremely sharp. The objective of a sword in battle was to maim or inflict painful and severe wounds to the body of their enemy by means of mangling, mutilating, and injuring to render the opponent helpless, and if these methods were unsuccessful, the last resort was to take the life of their opponent by killing. Just as the natural sword had its uses, even so the spiritual sword. The natural sword may maim or kill physically, while the spiritual sword renders the demonic host helpless through its destroying power. We must always keep in mind as believers that we have authority through the word of God, which is symbolized by the sword. In history, the sword is said to be the emblem of military honor, such as in the medieval times when someone was honored as a knight by a monarch or political leader for service to their country. This was carried out by touching the shoulders of the honored person with the sword. Though there are many types of swords, the main concept was the same throughout history: to protect and defend. In the above-mentioned scripture, the sword was used as a symbol of the word of God. A proper sword, in its making, was tempered very carefully, meaning that it was heated at a certain temperature, beaten into form by a swordsmith on an anvil, and cooled at a predetermined degree to ensure its effectiveness. The reason for fashioning the sword in this manner was to ensure that when the combatant entered into battle, the sword would be able to withstand all the attacks of their adversary by absorbing the shock of their weapons without shattering. Even so, when we're engaged in spiritual warfare, we cannot afford to have our emotions interfere with the operation of the spiritual weaponry. It is not the Word of God that ever falters, but when one deals in unrighteousness, such as forgiveness and bitterness, these character flaws cause the word to become ineffective in our hands. Just as the natural sword has to be tempered for effectiveness in battle, in like manner, we too must be tempered by bringing our bodies into subjection to the will of God. Not being tempered enough in our selves gives the illusion that the sword is not pliable; however, it is we that are unstable, and when the word is not activated in our lives, this causes us to break as well. Often times, when dealing with conflict, it may be difficult to discern who is telling the truth, because the parties having the conflict are both liked in their circle of associates. Before there were lie detectors, there was God, giving the discerning of spirits and the word of knowledge to help bring about truth. The sword is also a discernor of the thoughts and intentions of the heart. Let me share a story with you about a boy who said to a girl friend of his, "I will give you all of my marbles if you give me all of your candy." So the night before the exchange, the boy took out some of his favorite marbles. The next morning, the exchange was made, but the young man was unsettled all day. The question is, why was he

unsettled The reason was the boy had taken out some of his favorite marbles and was wondering if the girl had taken out some of her favorite candy The truth is if the girl had asked the boy if he had given her all the marbles and he said yes he would have lied The Sword of Solomon will teach you how the Word enables you to become more sensitive in the Spirit to rightly divide who is dealing with truth and who is dealing in deceit The sword as a discerner of truth is able to pinpoint whether something is proceeding out

**The Word in the Wilderness** Alexander Lawrence Ames, 2020-06-29 Once a vibrant part of religious life for many Pennsylvania Germans in the eighteenth and nineteenth centuries Fraktur manuscripts today are primarily studied for their decorative qualities The Word in the Wilderness takes a different view probing these documents for what they tell us about the lived religious experiences of the Protestant communities that made and used them and opening avenues for reinterpretation of this well known if little understood set of cultural artifacts The resplendent illuminated religious manuscripts commonly known as Fraktur have captivated collectors and scholars for generations Yet fundamental questions about their cultural origins purpose and historical significance remain Alexander Lawrence Ames addresses these by placing Fraktur manuscripts within a Pietist paradigm grounded in an understanding of how their makers viewed the Word or scripture His analysis combines a sweeping overview of Protestant Christian religious movements in Europe and early America with close analysis of key Pennsylvania devotional manuscripts revealing novel insights into the religious utility of calligraphy manuscript illumination and devotional reading as Protestant spiritual enterprises Situating the manuscripts in the context of transatlantic religious history early American spirituality material culture studies and the history of book and manuscript production Ames challenges long held approaches to Pennsylvania German studies and urges scholars to engage with these texts and with their makers and users on their own terms Featuring dozens of illustrations this lively engaging book will appeal to Fraktur scholars and enthusiasts historians of early America and anyone interested in the material culture and spiritual practices of the German speaking residents of Pennsylvania

International Handbook of Inter-religious Education Kath Engebretson, Marian de Souza, Gloria Durka, Liam Gearon, 2010-08-17 This Handbook is based on the conviction of its editors and contributing authors that understanding and acceptance of as well as collaboration between religions has essential educational value The development of this Handbook rests on the further assumption that interreligious education has an important role in elucidating the global demand for human rights justice and peace Interreligious education reveals that the creeds and holy books of the world's religions teach about spiritual systems that reject violence and the individualistic pursuit of economic and political gain and call their followers to compassion for every human being It also seeks to lead students to an awareness that the followers of religions across the world need to be and to grow in dialogical relationships of respect and understanding An essential aim of interreligious education is the promotion of understanding and engagement between people of different religions and therefore it has great potential to contribute to the common good of the global community Interreligious education has grown from the interfaith movement whose beginning is

usually identified with the World Parliament of Religions held in Chicago in 1893. This was the first time in history that leaders of the eastern and western religions had come together for dialogue and to consider working together for global unity.

*Ecclesiastes, Volume 23A* Roland E. Murphy, 2018-05-29 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation, the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses yet in reasonably good English. Notes, the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure, Setting, a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment, verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1. within the context of the book itself; 2. its meaning in the OT or NT; 3. its place in the entire canon; 4. theological relevance to broader OT or NT issues. General Bibliography occurring at the end of each volume; this extensive bibliography contains all sources used anywhere in the commentary.

### **Apocalypticism in the Bible and Its World**

Frederick J. Murphy, 2012-08-01 2013 Biblical Archaeology Society BAS Award for Best Book Relating to the New Testament. Frank Moore Cross Award, American Schools of Oriental Research, 2013. Apocalypticism is not a peripheral topic in biblical studies. It represents the central characteristic transformation of Hebrew thought in the period of the Second Temple. It therefore constituted the worldview of Jesus, Paul, and the earliest Christians, and it is the context in which the New Testament books were written. In this volume, Frederick Murphy defines apocalypticism while discussing its origins, where it comes into play in the Hebrew Bible, and how it relates to Jesus and the New Testament.
