Michigan Wolverine Football Firsts 2025 Barry Gallagher,2025-01-06 Happy Maize and Blue New Year 2025 There

has never been a book like this because every day on the 2025 calendar is dedicated to Michigan Wolverine football firsts. This treasure trove of Michigan football history documents over one thousand Michigan football firsts that are shared with Wolverine fans one day at a time. Yes, you read that right: more than one thousand firsts about the winningest football program in college football history. This entire book is built around the 2025 calendar year. It takes a closer look at coach and player birthdays, game days, and events that shaped Michigan football history. There is at least one Michigan football first for every day on the 2025 calendar. Some days have multiple firsts, and other days may only have one. There are some firsts that are repeated because they are team firsts that are shared by members of the same Wolverine team. Every chapter contains stories from twelve or more of the sixteen decades that span from 1897 to 2024. You will read a new story every day. Sometimes you will learn about a player that played in the early years. Those men are called Pigskin Pioneers. Other days will be about a player who played when you were growing up or a Wolverine who is playing today. Some days in 2025 will be trips down memory lane. Other days will resemble days of discovery as you learn about players who helped build the Michigan football program before you were born. The important thing to remember is that every day in 2025 will celebrate something good or great about the wonderful legacy of Wolverine football. It took almost three years to develop this collection. The passionate fans of the winningest program in the history of college football deserve this book. Happy New Year and Go Blue.
