

Women and the Civil Rights Movement, 1954–1965

EDITED BY DAVIS W. EDDICK AND DAVID E. DIXON

Women And The Civil Rights Movement 1954 1965

Jeanne Theoharis

Women And The Civil Rights Movement 1954 1965:

Women and the Civil Rights Movement, 1954-1965 Davis W. Houck, David E. Dixon, 2009-10-20 Historians have long agreed that women black and white were instrumental in shaping the civil rights movement Until recently though such claims have not been supported by easily accessed texts of speeches and addresses With this first of its kind anthology Davis W Houck and David E Dixon present thirty nine full text addresses by women who spoke out while the struggle was at its most intense Beginning with the Brown decision in 1954 and extending through the Voting Rights Act of 1965 the editors chronicle the unique and important rhetorical contributions made by such well known activists as Ella Baker Fannie Lou Hamer Daisy Bates Lillian Smith Mamie Till Mobley Lorraine Hansberry Dorothy Height and Rosa Parks They also include speeches from lesser known but influential leaders such as Della Sullins Marie Foster Johnnie Carr Jane Schutt and Barbara Posey Nearly every speech was discovered in local regional or national archives and many are published or transcribed from audiotape here for the first time Houck and Dixon introduce each speaker and occasion with a headnote highlighting key biographical and background details The editors also provide a general introduction that places these public addresses in context *Women and the Civil Rights Movement 1954 1965* gives voice to stalwarts whose passionate orations were vital to every phase of a movement that changed America

The Civil Rights Movement Peter B. Levy, 2019-07-19 Drawing on the most recent scholarship *The Civil Rights Movement* provides a concise overview of the most important social movement of the 20th century and will expand readers understanding of the fight for racial equality Ideal for research this one stop reference provides a unique introduction to the Civil Rights Movement as it includes its development issues and leaders Six essays capture the drama and conflict of the struggle covering among other topics the origins of the movement the role of women the battle for racial equality in the North and the lasting effects of the protests of the 1950s and 1960s Ready reference features include a chronology a bibliography photographs and biographical profiles of 20 activists from Martin Luther King Jr and Malcolm X to Ella Baker and Angela Davis The book also contains a selection of primary sources including presidential addresses Supreme Court decisions and FBI reports on Malcolm X and Stokeley Carmichael Based on the latest scholarship in the field this guide gives readers all of the analysis and reference sources they need to expand their understanding of the Civil Rights movement

Historical Dictionary of the Civil Rights Movement Christopher M. Richardson, Ralph E. Luker, 2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was celebrated in 2013 Fifty years removed from the Birmingham campaign the assassination of Medgar Evers and the March on Washington and it is clear that the sacrifices borne by those generations in that decade were not in vain Monuments museums and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States The second edition of *Historical Dictionary of the Civil Rights Movement* is a guide to the history of the African American struggle for equal rights in the United States

The history of this period is covered in a detailed chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities significant legal cases local struggles forgotten heroes and prominent women in the Movement This book is an excellent access point for students researchers and anyone wanting to know more about the Civil Rights Movement

The Speeches of Fannie Lou Hamer Maegan Parker Brooks, Davis W. Houck, 2011-01-03 Most people who have heard of Fannie Lou Hamer 1917 1977 are aware of the impassioned testimony that this Mississippi sharecropper and civil rights activist delivered at the 1964 Democratic National Convention Far fewer people are familiar with the speeches Hamer delivered at the 1968 and 1972 conventions to say nothing of addresses she gave closer to home or with Malcolm X in Harlem or even at the founding of the National Women s Political Caucus Until now dozens of Hamer s speeches have been buried in archival collections and in the basements of movement veterans After years of combing library archives government documents and private collections across the country Maegan Parker Brooks and Davis W Houck have selected twenty one of Hamer s most important speeches and testimonies As the first volume to exclusively showcase Hamer s talents as an orator this book includes speeches from the better part of her fifteen year activist career delivered in response to occasions as distinct as a Vietnam War Moratorium Rally in Berkeley California and a summons to testify in a Mississippi courtroom Brooks and Houck have coupled these heretofore unpublished speeches and testimonies with brief critical descriptions that place Hamer s words in context The editors also include the last full length oral history interview Hamer granted a recent oral history interview Brooks conducted with Hamer s daughter as well as a bibliography of additional primary and secondary sources The Speeches of Fannie Lou Hamer demonstrates that there is still much to learn about and from this valiant black freedom movement activist

Black Women's Liberation Movement Music Reiland Rabaka, 2023-10-30 Black Women s Liberation Movement Music argues that the Black Women s Liberation Movement of the mid to late 1960s and 1970s was a unique combination of Black political feminism Black literary feminism and Black musical feminism among other forms of Black feminism This book critically explores the ways the soundtracks of the Black Women s Liberation Movement often overlapped with those of other 1960s and 1970s social political and cultural movements such as the Black Power Movement Women s Liberation Movement and Sexual Revolution The soul funk and disco music of the Black Women s Liberation Movement era is simultaneously interpreted as universalist feminist in a general sense and Black female focused This music s incredible ability to be interpreted in so many different ways speaks to the importance and power of Black women s music and the fact that it has multiple meanings for a multitude of people Within the worlds of both Black Popular Movement Studies and Black Popular Music Studies there has been a long standing tendency to almost exclusively associate Black women s music of the mid to late 1960s and 1970s with the Black male dominated Black Power Movement or the White female dominated Women s Liberation Movement However this book reveals that much of the soul funk and disco performed by Black women was most often the very popular music of a very

unpopular and unsung movement The Black Women s Liberation Movement Black Women s Liberation Movement Music is an invaluable resource for students teachers and researchers of Popular Music Studies American Studies African American Studies Critical Race Studies Gender Studies and Sexuality Studies **The Oxford Handbook of U.S. Women's Social Movement Activism** Holly J. McCammon, Verta Taylor, Jo Reger, Rachel L. Einwohner, 2017-05-05 Over the course of thirty seven chapters including an editorial introduction this handbook provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women s collective activism in the United States tracing both continuities and critical changes over time Women have played pivotal and far reaching roles in bringing about significant societal change and women activists come from an array of different demographics backgrounds and perspectives including those that are radical liberal and conservative The chapters in the handbook consider women s activism in the interest of women themselves as well as actions done on behalf of other social groups The volume is organized into five sections The first looks at U S Women s Social Activism over time from the women s suffrage movement to the ERA radical feminism third wave feminism intersectional feminism and global feminism Part two looks at issues that mobilize women including workplace discrimination reproductive rights health gender identity and sexuality violence against women welfare and employment globalization immigration and anti feminist and pro life causes Part three looks at strategies including movement emergence and resource mobilization consciousness raising and traditional and social media Part four explores targets and tactics including legislative forums electoral politics legal activism the marketplace the military and religious and educational institutions Finally part five looks at women s participation within other movements including the civil rights movement the environmental movement labor unions LGBTQ movement Latino activism conservative groups and the white supremacist movement **A More Beautiful and Terrible History** Jeanne Theoharis, 2018-01-30 Praised by The New York Times O The Oprah Magazine Bitch Magazine Slate Publishers Weekly and more this is a bracing corrective to a national mythology New York Times around the civil rights movement The civil rights movement has become national legend lauded by presidents from Reagan to Obama to Trump as proof of the power of American democracy This fable featuring dreamy heroes and accidental heroines has shuttered the movement firmly in the past whitewashed the forces that stood in its way and diminished its scope And it is used perniciously in our own times to chastise present day movements and obscure contemporary injustice In A More Beautiful and Terrible History award winning historian Jeanne Theoharis dissects this national myth making teasing apart the accepted stories to show them in a strikingly different light We see Rosa Parks not simply as a bus lady but a lifelong criminal justice activist and radical Martin Luther King Jr as not only challenging Southern sheriffs but Northern liberals too and Coretta Scott King not only as a helpmate but a lifelong economic justice and peace activist who pushed her husband s activism in these directions Moving from the histories we get to the histories we need Theoharis challenges nine key aspects of the fable to reveal the diversity of people especially women and young people who

led the movement the work and disruption it took the role of the media and polite racism in maintaining injustice and the immense barriers and repression activists faced Theoharis makes us reckon with the fact that far from being acceptable passive or unified the civil rights movement was unpopular disruptive and courageously persevering Activists embraced an expansive vision of justice which a majority of Americans opposed and which the federal government feared By showing us the complex reality of the movement the power of its organizing and the beauty and scope of the vision Theoharis proves that there was nothing natural or inevitable about the progress that occurred A More Beautiful and Terrible History will change our historical frame revealing the richness of our civil rights legacy the uncomfortable mirror it holds to the nation and the crucial work that remains to be done Winner of the 2018 Brooklyn Public Library Literary Prize in Nonfiction The
Rebellious Life of Mrs. Rosa Parks Jeanne Theoharis, 2015-11-24 Jeanne's book not only inspired the documentary but has been a catalyst in changing our national understanding of Rosa Parks Highly recommend Soledad O'Brien executive producer of the Peabody Award winning documentary The Rebellious Life of Mrs Rosa Parks The NAACP Image Award winning book that has helped redefine the public understanding of the civil rights icon revealing her to be a radical and committed activist The Rebellious Life of Mrs Rosa Parks is the definitive political biography of Parks examining her six decades of activism and challenging passive perceptions of her contributions in the civil rights movement Including a new introduction titled Nine Ways to Be Like Rosa Parks in the Age of Black Lives Matter public historian Jeanne Theoharis provides vital insight into her life and activism She not only reveals Parks's personal financial and political struggles but also highlights the danger of the quiet seamstress narrative especially in an age where civil rights activism can be weaponized against those working for change Presenting a powerful corrective to the popular iconography of Rosa Parks Theoharis excavates her political philosophy and six decades of activism By detailing the political depth of a national heroine who dedicated her life to fighting inequality Theoharis resurrects a civil rights movement radical who has been hidden in plain sight far too long further showing how Parks and others helped pave the way for future activist organizations *Constance Baker Motley* Gary L. Ford (Jr.), 2017-09-26 When the name Constance Baker Motley is mentioned more often than not the response is Who was she or What did she do The answer is multifaceted complex and inspiring Constance Baker Motley was an African American woman the daughter of immigrants from Nevis British West Indies a wife and a mother who became a pioneer and trailblazer in the legal profession She broke down barriers overcame gender constraints and operated outside the boundaries placed on black women by society and the civil rights movement In Constance Baker Motley One Woman's Fight for Civil Rights and Equal Justice under Law Gary L Ford Jr explores the key role Motley played in the legal fight to desegregate public schools as well as colleges universities housing transportation lunch counters museums libraries parks and other public accommodations The only female attorney at the NAACP Legal Defense and Educational Fund Inc Motley was also the only woman who argued desegregation cases in court during much of the civil rights movement From 1946 through 1964 she was

a key litigator and legal strategist for landmark civil rights cases including the Montgomery Bus Boycott and represented Martin Luther King Jr as well as other protesters arrested and jailed as a result of their participation in sit ins marches and freedom rides Motley was a leader who exhibited a leadership style that reflected her personality traits skills and strengths She was a visionary who formed alliances and inspired local counsel to work with her to achieve the goals of the civil rights movement As a leader and agent of change she was committed to the cause of justice and she performed important work in the trenches in the South and behind the scene in courts that helped make the civil rights movement successful Vagrant Nation Risa Lauren Goluboff,2016 In Vagrant Nation Risa Goluboff has found a way to explain how the interaction between 1960s social movements and the courts fundamentally changed both American law and society writ large By look at the changing views regarding a minor type of crime vagrancy Goluboff shows how the courts were cast directly into the midst of the turmoil sweeping the nation

Right here, we have countless ebook **Women And The Civil Rights Movement 1954 1965** and collections to check out. We additionally offer variant types and along with type of the books to browse. The all right book, fiction, history, novel, scientific research, as skillfully as various further sorts of books are readily easy to get to here.
