The Yugo The Rise And Fall Of The Worst Car In History:

The Yugo Jason Vuic, 2024-03-26 Six months after its American introduction in 1985 the Yugo was a punch line within a year it was a staple of late night comedy By 2000 NPR's Car Talk declared it the worst car of the millennium And for most Americans that's where the story begins and ends Hardly The short unhappy life of the car the men who built it the men who imported it and the decade that embraced and discarded it is rollicking and astounding and one of the greatest untold business cum morality tales of the 1980s Mix one rabid entrepreneur several thousand good communists a willing U S State Department the shortsighted Detroit auto industry and improvident bankers shake vigorously and you've got The Yugo The Rise and Fall of the Worst Car in History Brilliantly re-creating the amazing confluence of events that produced the Yugo Yugoslav expert Jason Vuic uproariously tells the story of the car that became an international joke The American CEO who happens upon a Yugo right when his company needs to find a new import or go under A State Department eager to aid Yugoslavia's nonaligned communist government Zastava Automobiles which overhauls its factory to produce an American ready Yugo in six months And a hole left by Detroit in the cheap subcompact market that creates a race to the bottom that leaves the Yugo at the bottom *Socialist Escapes* Cathleen M. Giustino, Catherine J. Plum, Alexander Vari, 2013-03-01

During much of the Cold War physical escape from countries in the Eastern Bloc was a nearly impossible act There remained however possibilities for other socialist escapes particularly time spent free from party ideology and the mundane routines of everyday life The essays in this volume examine sites of socialist escapes such as beaches campgrounds nightclubs concerts castles cars and soccer matches The chapters explore the effectiveness of state efforts to engineer society through leisure entertainment and related forms of cultural programming and consumption They lead to a deeper understanding of state society relations in the Soviet sphere where the state did not simply dictate from above and inhabitants had some opportunities to shape solidarities identities and meaning *Brand Relevance* David A. Aaker, 2011-01-25 Branding guru Aaker shows how to eliminate the competition and become the lead brand in your market This ground breaking book defines the concept of brand relevance using dozens of case studies Prius Whole Foods Westin iPad and more and explains how brand relevance drives market dynamics which generates opportunities for your brand and threats for the competition Aaker reveals how these companies have made other brands in their categories irrelevant Key points When managing a new category of product treat it as if it were a brand By failing to produce what customers want or losing momentum and visibility your brand becomes irrelevant and create barriers to competitors by supporting innovation at every level of the organization Using dozens of case studies shows how to create or dominate new categories or subcategories making competitors irrelevant Shows how to manage the new category or subcategory as if it were a brand and how to create barriers to competitors Describes the threat of becoming irrelevant by failing to make what customer are buying or losing energy David Aaker the author of four brand books has been called the father of branding This book offers insight for creating and or

owning a new business arena Instead of being the best the goal is to be the only brand around making competitors irrelevant
