The World According to Karl Jean-Christophe Napias,Patrick Mauries,2016-09-06 Karl Lagerfeld is a modern master of couture His wise surprising statements pop up like offbeat newsflashes This collection of quotations pays homage to the minence grise of the fashion world His oracular pronouncements are regularly seized upon by fashionistas acolytes and sages around the world This is a cornucopia of Lagerfeld s maxims cultivated unpredictable provocative sometimes shocking but always impossible to ignore Jacket [Karl Lagerfeld: A Line of Beauty](#) Andrew Bolton,Tadao Ando,Anita Briey,Stefania D'Alfonso,Olivia Douchez,Amanda Harlech,Patrick Hourcade,Mellissa Huber,Nicole Lefort,Kai Toussaint Marcel,Jacqueline Mercier,Loïc Prigent,Anna Wintour,2023-05-01 This investigation into Karl Lagerfeld s 1933 2019 artistry explores his extraordinary sixty five year career from the designs for Chlo and Fendi in the 1960s and 1970s to his celebrated leadership in the 1980s and beyond at Chanel and his own label Inspired by the line of beauty theorized by eighteenth century English painter William Hogarth this dazzling publication pursues the straight and serpentine lines and their intersections in Lagerfeld s work as a means of understanding his unique creative process

Psychobiographical Illustrations on Meaning and Identity in Sociocultural Contexts Claude-Hélène Mayer,Paul, J.P. Fouché,Roelf Van Niekerk,2022-01-01 This book explores psychobiography with focus on meaning making and identity development in the life and works of extraordinary individuals Meaning making and identity development are existential constructs influencing psychological development mental health and wellbeing across the lifecourse The chapters illustrate through the eyes of 25 international psychobiographers various theoretical and methodological approaches to psychobiography They explore how individuals such as Angela Merkel Karl Lagerfeld Henri Nouwen Vivian Maier Charles Baudelaire W E B du Bois Lor nt Heged s Kim Philby Zoltan Paul Dienes Albertina Sisulu Ruth First Sokrates and Jesus construct their lives to make meaning develop their identities and grow as individuals within their sociocultural contexts The texts provide deep insight into life s development

The Sociologist's Eye Kai T. Erikson,2017-08-22 A masterful introduction to and appreciation of sociology as a window into our world The culmination of a distinguished career this fascinating exploration into the nature of human social life describes the field of sociology as a way of looking at the world

rather than as a simple gathering of facts about it Kai Erikson notes that sociologists look out at the same human scenes as poets historians economists or any other observers of the vast social landscape spread out before them but select different aspects of that vast panorama to focus on and attend to Erikson s lively and accessible volume considers how sociology became a field of study and how it has turned its attention over time to new areas of study such as race and gender and what Erikson calls social speciation This book provides readers with new ways of thinking about human culture and social life an exhilarating sense of what the world looks like when viewed with a sociologist s eye Nagarjuna and the Art of Negation Mathew Varghese,2020-12-01 Reading the philosophy of Nagarjuna in retrospective his method of Nagarjuna is variously explained in this book How the application of tetralemma four value structure catuskoti would give us enough resources to expand our thoughts and how that could help us negate the binary either or structure of thought that demands theoretical postulations Notably the art of logical negation used by Nagarjuna employing neither nor structure would help us understand the Middle Path Madhyamika philosophy clearly Most of the philosophies use the structure of two value logical interpretations to introduce their metaphysics and ethics Metaphysical conception of soul God is the basis of virtue ethics centred on transcendentals of goodness truth beauty unity justice being etc of the classical Greeks later being followed by Christians Jews and Islamic thinkers The conception of atman Brahman is the foundation of Vedic philosophers understanding of transcendentals as truth sat consciousness cit and bliss ananada Nagarjuna on the other hand employs negative dialectics to confute the logical structure of either or that demands metaphysical concepts and by employing the four value logical structure he introduces the transcendentals as wisdom and compassion This book uses Nagarjunian art of negation to reread his philosophy differently to discern the concept of emptiness sunyata as the co dependent evolution of various elements of the subjective self and the elements of objective experiences in the dominion of the subjective self and the elements of objective experiences in the dominion of the subjective self therein it is possible to redefine no soul nairatmya as self being and dominion of subjectivity for replacing a metaphysical postulation and the transcendentals as wisdom and compassion **The Secrets of Immortality** Prof. Dr. Ernst von Schwarz,2023-08-01 In view of progressive research advances in biotechnology and medicine the prospect of living longer increased longevity increased health span and even biologic immortality has become more real than ever before The Secrets of Immortality evaluates humankind s continuous quest for immortality an integral part of human nature With hundreds of millions of dollars being spent on anti aging and immortality research some futurists believe that within a few decades man will be able to live up to 150 years if not more Some believe that the first person to live up to 1000 years old is already alive today While this sounds like a premise from science fiction The Secrets of Immortality describes the current state of biotechnology and medical research data and the possibilities of anti aging and natural or biologic immortality within the near future Prof Dr Ernst von Schwarz wrote The Secrets of Immortality from a theological point of view examining everlasting life from the perspective of different

religions with a main emphasis on the Roman Catholic tradition Dr Schwarz is a physician transplant cardiologist and researcher but he is also a theologian offering a unique perspective to longevity and immortality

The Way to Win Mark Halperin, John F. Harris, 2006-10-03 In *The Way to Win* two of the country's most accomplished political reporters explain what separates the victors from the victims in the unforgiving environment of modern presidential campaigns Mark Halperin political director of ABC News and John F Harris the national politics editor of *The Washington Post* tell the story of how two families the Bushes and the Clintons have held the White House for nearly a generation and examine Hillary Clinton's prospects for extending this record in 2008 Based on years of research including private campaign memos and White House communications *The Way to Win* reveals the surprising details of how the Bushes and Clintons have closely studied each other's successes and failures and used these lessons to shape their own strategies for winning elections and wielding power In the case of George W Bush the strategic genius is Karl C Rove arguably the most influential White House aide in history For the first time Halperin and Harris cut through the myths and controversies surrounding Rove to illuminate in brilliant behind the scenes detail what he actually does his Trade Secrets for winning elections In the case of the Clintons the chief strategist is Bill Clinton himself Drawing on their fifteen years reporting on and interviewing him Halperin and Harris deconstruct and decipher the Clinton style identifying the methods that all candidates can use in their pursuit of the White House *The Way to Win* takes a lively and irreverent approach but Halperin and Harris also show the disturbing ways that American politics has become a Freak Show their name for a political culture that provides incentives for candidates activists interest groups and the news media to emphasize ideological extremism and personal attack For the first time Halperin and Harris describe how Freak Show campaigns orchestrated by the likes of Internet pioneer Matt Drudge forced Al Gore and John Kerry to lose control of their public images with considerable help from the candidates own ineptitude and lose the White House On the brink of what will be one of the most intense most exciting presidential elections in American history *The Way to Win* is the book that armchair political junkies have been waiting for Filled with peerless analysis and eye opening revelations from the trenches it is a must read for everyone who follows American politics

Mighty Stories, Dangerous Rituals Herbert Anderson, Edward Foley, 2019-02-01 Shaping our journey into the Divine This moving and enlightening book presents us with a compelling vision of what can happen when we take the opportunity to connect stories and rituals a vision of individuals and communities transformed through a deeper sense of connection to our loved ones our communities and God Herbert Anderson and Edward Foley reveal how when stories and rituals work together they have the potential to be both mighty and dangerous mighty in their ability to lift us up and help us make these connections beyond ourselves and dangerous in challenging us to learn to live with complexity and contradiction They show how much more meaningful a baptism wedding or funeral can be when liturgy is made to include and recognize the personal stories of those involved Suddenly these familiar life cycle rituals are infused with new life as participants become connected in a narrative

web linking past and present human and divine Newly created rituals can also help us connect our stories to the divine story giving meaning to what we experience and bringing us closer to God Ministers worship leaders and pastoral caregivers can use this approach to storytelling and ritual to find ways to bring together worship and pastoral care
