Dreams and Their Biblical Interpretations Jacob Makaya,2018-06-01 Sometimes you have a dream and when you wake up you thank God it was just a dream God uses dreams to reveal what is going on in the spiritual realm of one s life Dreams often reveal things that we may physically be unaware When you have a dream ignoring it does not solve the problem God uses dreams to guide us to we make correct decisions in our lives He also uses dreams to warn us if something bad was going to happen so we can pray and change it More importantly God uses dreams to reveal His purpose in our lives Every dream has a purpose and interpretation For instance when you dream you are eating being chased by people driving a car taking exams being in a place you have never been being in a place you know or used to live etc God is directing speaking to you things that are going on in your life The Bible has answers to all these dreams and many others This book will reveal God s word to you in a personal level because interpretations of dreams are personal and are based on God s message to you      **The Shaman in the Disco and Other Dreams of Masculinity** James Thomas,2006-06 E X C E R P T S from The Shaman in the Disco it often happens for men that sensual deprivation leads to sexual obsession Not knowing how to be with his inner alienation he brings it to his girlfriend and experiences it inaccurately as estrangement between them This perilous move to seek one s psychological moorings in someone else is to a great extent the fulfillment of our cultural fantasy of love I see in the image of Dracula bent over the entranced woman and sucking her blood the inevitable outcome of a man s desire who has been socialized into a hostile relationship towards all things in himself we in our culture call feminine He Darth Vader has literally and figuratively opened up become unmasked and he and Luke share a moment of unguarded closeness It will be their first and last because along the lines of many father son scenes like this in American film and literature the defenses and guardedness fall away only when the father or son is dying As if in male culture one could only die for not live with this sort of closeness Love requires of us the ability to surrender our ego needs to the greater ideal of union with another this first necessitates that we can surrender our ego defenses to a greater awareness of and intimacy with ourselves      The Shattered Dream of Death Marjorie Townsend,2024-03-04 Someone is killing people at ATMs It s up to Detectives Phillips and Marshall to find and catch the killer Unbeknownst to them the killer is writing a script and has a chapter for each

murder The killer leaves very little evidence behind and when the detectives finally do have a suspect it becomes a game of hide and seek as they attempt to gain the upper hand before he strikes again
