The Yage Letters Redux:

The Yage Letters William S. Burroughs, Allen Ginsberg, 1963 The Yage Letters Redux William S. Burroughs, Allen Ginsberg, 2008 In 1953 Burroughs began an expedition into the jungles of South America ostensibly to find yage the fabled hallucinogen of the Amazon But Burroughs also cast his eye over the local regimes to record trademark vignettes of political and psychic malaise The book was completed by the addition of Ginsberg's experiences with yage *The Yage Letters Redux* William S. Burroughs, 2004 *The Yage Letters*, 2013-01-12 William Burroughs closed his classic novel *Junky* by saying he had determined to search out a drug he called Yage a drug that could be the final fix In *The Yage Letters* a mix of travel writing satire psychedelia and epistolary novel he journeys through South America writing to his friend Allen Ginsberg about his experiments with the strange drug using it to travel through time and space and derange his senses Burroughs letters reveal his desire to escape the norms of American society which hemmed him in and the extraordinary steps he took to break free Liminality and the Short Story Jochen Achilles, Ina Bergmann, 2014-12-05 This book is a study of the short story one of the widest taught genres in English literature from an innovative methodological perspective Both liminality and the short story are well researched phenomena but the combination of both is not frequent This book discusses the relevance of the concept of liminality for the short story genre and for short story cycles emphasizing theoretical perspectives methodological relevance and applicability Liminality as a concept of demarcation and mediation between different processual stages spatial complexes and inner states is of obvious importance in an age of global mobility digital networking and interethnic transnationality Over the last decade many symposia exhibitions art and publications have been produced which thematize liminality covering a wide range of disciplines including literary geographical psychological and ethnicity studies Liminal structuring is an essential aspect of the aesthetic composition of short stories and the cultural messages they convey On account of its very brevity and episodic structure the generic liminality of the short story privileges the depiction of transitional situations and fleeting moments of crisis or decision It also addresses the moral transgressions heterotopic orders and forms of ambivalent self reflection negotiated within the short story's confines This innovative collection focuses on both the liminality of the short story and on liminality in the short story **The Yage Letters** William Seward Burroughs, 1978 Colombia's Forgotten Frontier Lesley Wylie, 2013 The first literary geography of the Putumayo exploring its history and enduring significance through literature of and on this Colombian region by Latin American US and European writers Assassin of Youth Alexandra Chasin, 2016-09-30 *Assassin of Youth* is a lyrical digressive funny and ultimately riveting quasi biography of a little known man Harry J Anslinger the first commissioner of the Federal Bureau of Narcotics The J Edgar Hoover of pot busts Anslinger played a major role in the creation of America's prohibitionist drug policy and the racist and ineffective carceral state that resulted But Anslinger himself was dull ordinary a square How then does Alexandra Chasin write his biography Her treatment of Anslinger his times and the mentalities that arose and prevailed around and

through him is part cultural history part lyrical meditation and only part biography Each of her short chapters is anchored in a historical document a piece of legislation a court decision snatches of popular literature and the chapters engage with the voices presumptions insights and blind spots of those documents to illuminate Anslinger and his world *Assassin of Youth* is as riotous and loose a history of drug laws as can be imagined and yet it is rooted in very close attention to language and context Today even as marijuana is slowly being legalized we have not yet fully reckoned with the haze of influences and mentalities that have enabled our long embrace of severe punishments for drug possession and use Alexandra Chasin here shows us the deep twisted roots of our love and hatred of drugs of all sorts **Federman's Fictions** Jeffrey R.
