quite right to print so many fairy tales with pictures and to publish them in red and blue covers He is named Mr G Laurence Gomme and he is president of a learned body called the Folk Lore Society Once a year he makes his address to his subjects of whom the Editor is one and Mr Joseph Jacobs who has published many delightful fairy tales with pretty pictures 1 is another Fancy then the dismay of Mr Jacobs and of the Editor when they heard their president say that he did not think it very nice in them to publish fairy books above all red green and blue fairy books They said that they did not see any harm in it and they were ready to put themselves on their country and be tried by a jury of children And indeed they still see no harm in what they have done nay like Father William in the poem they are ready to do it again and again **The Yellow Fairy Book**
