Who Loved Women Dorothy Valcarcel, 2006-11 Biblical stories of eighteen New Testament women who Jesus encouraged, empowered and loved. How could a Man who had no wife, no children, no home, no job, no money and wandered the hills of Judea with twelve men relate to women? He knew much less women in the 21st century. That's the question that led author Dorothy Valcarcel to search for biblical women whose lives intersected with Jesus and as she discovered every woman Jesus met faced many of the same challenges women encounter today. In *The Man Who Loved Women* you'll meet Mary trying to raise a perfect child in an imperfect world; Joanna whose Mr Right and his money could not buy her health or happiness; Martha whose busywork distracted her from life's most meaningful moments and many more. **Sacred Scripture** Richard N. Soulen, 2010-02-01 How did the Bible's sixty-six books become sacred Scripture? How have they been understood and interpreted over the last two thousand years? What was it that led to our acceptance of the Bible as the true word of God? For two millennia Christians have accepted the importance of the Bible as sacred Scripture and for as many years they have struggled to comprehend its meaning. Over the centuries the church has expressed the centrality of Scripture in numerous ways and Christians have studied and interpreted the Bible in a wide variety of faithful approaches. Understanding that process is critical to our ability and our willingness to accept the Bible as sacred and true. To that end Richard Soulen leads us through the history of how Christian understandings of the Bible have changed and developed throughout history.

God's Story (Text Only Edition) Matt Searles, 2021-02-19 *God's Story* is a delight. Those who have never opened a Bible and those who read the Bible every day will return to *God's Story* again and again. James Robson, Ministry Director, Keswick Ministries. This deeply researched overview of the Bible clearly sets out the grand narrative of scripture. By linking each of its many parts back to the whole, it moves beyond simply retelling biblical stories to help us to see how the Bible remains vitally relevant to our daily lives. Giving historical context and theological insight, this book functions as both an accessible introduction for new readers of the Bible and an effective guide for those looking to grow their understanding of God's word. This is a text only edition. For the full colour edition with over 150 superb images see ISBN 9780745980645 HB EDITION.
