Theories Of Social Inequality:

Theories of Social Inequality Edward G. Grabb, 2007 This best selling text provides an incisive and engaging introduction to classical and contemporary sociological theory Students are given a thorough explanation of the social construction of inequality based on a solid grounding in the work of the major classical theorists such as Karl Marx Max Weber and Emile Durkheim The crucial role of power domination unifies theoretical discussions Updated perspectives in this new edition include the transnational or global level regarding for example the issue of global terror

Theories of Social Inequality Edward G. Grabb, 1997 *Theories of Social Inequality*, 2003-01-01 *Race and Curriculum* Cameron McCarthy, 1990 This text aims to put into a broader theoretical and political perspective the issues of racial inequality and minority under achievement which faces educators in schools and universities across the United States

The New Politics of Class Prof Klaus Eder, 1993-06-10 Are contemporary societies organized by class In recent years the apparent fragmentation of established class structures and the emergence of new social movements in particular the women s movement and environmentalism have altered the traditional expressions of class in society At the same time these changes have posed fundamental questions for the concept of class in sociology and political science In this major reassessment Klaus Eder offers a new perspective on the status of class in modernity Drawing on a critique of Bourdieu Touraine and Habermas he outlines a cultural conception of class as the basis for understanding contemporary societies His model reevaluates the role of the middle classes traditionally the crux of class analysis and links class to social theories of power and cultural capital The result is a cultural theory of class which incorporates the changing forms of collective action and the new social movements of contemporary societies
