Theater and Integrity Larry D. Bouchard, 2011-08-31 Four decades ago Tom F Driver brought theater into discussion with religion and modern theology It has been a rich ongoing dialogue but one that now demands a bold new engagement In *Theater and Integrity* Larry D Bouchard argues that while the antitheatrical prejudice regards theater as epitomizing the absence of integrity theater's ways of being realized in ensembles texts and performances allow us to envision integrity's emergence and ephemeral presence This book follows such questions across theatrical philosophical and theological studies of moral personal bodily and kenotic patterns of integrity It locates ambiguities in our discourse about integrity and it delves into conceptions of identity morality selfhood and otherness Its explorations ask if integrity is less a quality we might possess than a contingent gift that may appear disappear and perhaps reappear Not only does he chart anew the ethical and religious dimensions of integrity but he also reads closely across the history of theater from Greek and Shakespearean drama to the likes of Seamus Heaney T S Eliot Caryl Churchill Wole Soyinka Tony Kushner and Suzan Lori Parks His is an approach of juxtaposition and reflection starting from the perennial observation that theater both criticizes and acknowledges dimensions of drama and theatricality in life [The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism](#) Catherine Burroughs, J. Ellen Gainor, 2023-09-29 The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism is the first wide ranging anthology of theatre theory and dramatic criticism by women writers Reproducing key primary documents contextualized by short essays the collection situates women's writing within and also reframes the field's male defined and

male dominated traditions Its collection of documents demonstrates women s consistent and wide ranging engagement with writing about theatre and performance and offers a more expansive understanding of the forms and locations of such theoretical and critical writing dealing with materials that often lie outside established production and publication venues This alternative tradition of theatre writing that emerges allows contemporary readers to form new ways of conceptualizing the field bringing to the fore a long neglected vibrant intelligent deeply informed and expanded canon that generates a new era of scholarship learning and artistry The Routledge Anthology of Women s Theatrical Theory and Dramatic Criticism is an important intervention into the fields of Theatre and Performance Studies Literary Studies and Cultural History while adding new dimensions to Feminist Gender and Sexuality Studies *Theatre in Theory 1900-2000* David Krasner,2007-11-28
