LOUIS A. DIMARCO

War Horse A History Of The Military Horse And Rider

Ryan Hediger

War Horse A History Of The Military Horse And Rider:

War Horse Louis A. DiMarco, 2008 Traces the history of the horse in warfare from its early appearance up through the history of the horse as an implement of war detailing horse use in various eras Weaponry developed and used to oppose horsemen is detailed as well **Professional Journal of the United States Army**, 2009 Military Review, 1927

Riders of the Apocalypse David R Dorondo, 2012-05-15 Despite the enduring popular image of the blitzkrieg of World War II the German Army always depended on horses It could not have waged war without them While the Army's reliance on draft horses to pull artillery supply wagons and field kitchens is now generally acknowledged D R Dorondo's *Riders of the Apocalypse* examines the history of the German cavalry a combat arm that not only survived World War I but also rode to war again in 1939 Though concentrating on the period between 1939 and 1945 the book places that history firmly within the larger context of the mounted arm's development from the Franco Prussian War of 1870 to the Third Reich's surrender Driven by both internal and external constraints to retain mounted forces after 1918 the German Army effectively did nothing to reduce much less eliminate the preponderance of non mechanized formations during its breakneck expansion under the Nazis after 1933 Instead politicized command decisions technical insufficiency industrial bottlenecks and finally wartime attrition meant that Army leaders were compelled to rely on a steadily growing number of combat horsemen throughout World War II These horsemen were best represented by the 1st Cavalry Brigade later Division which saw combat in Poland the Netherlands France Russia and Hungary Their service however came to be cruelly dishonored by the horsemen of the 8th Waffen SS Cavalry Division a unit whose troopers spent more time killing civilians than fighting enemy soldiers Throughout the story of these formations and drawing extensively on both primary and secondary sources Dorondo shows how the cavalry's tradition carried on in a German and European world undergoing rapid military industrialization after the mid nineteenth century And though *Riders of the Apocalypse* focuses on the German element of this tradition it also notes other countries continuing and in the case of Russia much more extensive use of combat horsemen after 1900 However precisely because the Nazi regime devoted so much effort to portray Germany's armed forces as fully modern and mechanized the combat effectiveness of so many German horsemen on the battlefields of Europe until 1945 remains a story that deserves to be more widely known Dorondo's work does much to tell that story Equestrian Cultures Kristen Guest, Monica Mattfeld, 2019-01-11 As much as dogs cats or any domestic animal horses exemplify the vast range of human animal interactions Horses have long been deployed to help with a variety of human activities from racing and riding to police work farming warfare and therapy and have figured heavily in the history of natural sciences social sciences and the humanities Most accounts of the equine human relationship however fail to address the last few centuries of Western history focusing instead on pre 1700 interactions *Equestrian Cultures* fills in the gap telling the story of how prominently horses continue to figure in our lives up to the present day Kristen Guest and Monica Mattfeld place the modern period front and center in this

collection illuminating the largely untold story of how the horse has responded to the accelerated pace of modernity The book's contributors explore equine cultures across the globe drawing from numerous interdisciplinary sources to show how horses have unexpectedly influenced such distinctively modern fields as photography anthropology and feminist theory Equestrian Cultures boldly steps forward to redefine our view of the most recent developments in our long history of equine partnership and sets the course for future examinations of this still strong bond **Animals and War** Ryan Hediger,2012-11-01 Animals and War is the first collection of essays to explore its important yet neglected topic Scholars from sociology history anthropology and literary and cultural studies investigate the presence of animals in human wars The essays analyze a wide range of phenomena including the new militarization of bees zoo animals during war war dogs Finish horses in World War II Canadian war literature and the effort to memorialize nonhuman war animals Although animals are often forced to participate in human wars their presence also signals human vulnerability and dependence Several chapters demonstrate that in the frequently horrible circumstances of war powerful sympathies nonetheless flourish between humans and animals Animals and War thus exposes the often paradoxical contours of human animal relationships **Adapting War Horse** Toby Malone,Christopher J. Jackman,2016-05-09 This book analyses the success and adaptation of Michael Morpurgo's novel War Horse to stage radio live events and feature film in different cultures on tours and in translation In under a decade War Horse has gone from obscure children's novel to arguably one of the world's most recognisable theatrical brands thanks to innovative puppet designs from South Africa's Handspring Puppet Company in an acclaimed stage production from the National Theatre of Great Britain With emphasis on embodied spectatorship collaborative meaning making and imaginative play this book generates fresh insights into the enduring popularity of the franchise's eponymous protagonist Joey offering the most in depth study of War Horse to date **Literary Cultures and Twenty-First-Century Childhoods** Nathalie op de Beeck,2020-08-05 In the early decades of the twenty first century we are grappling with the legacies of past centuries and their cascading effects upon children and all people We realize anew how imperialism globalization industrialization and revolution continue to reshape our world and that of new generations At a volatile moment this collection asks how twenty first century literature and related media represent and shape the contemporary child childhood and youth Because literary representations construct ideal childhoods as well as model the rights privileges and respect afforded to actual young people this collection surveys examples from popular culture and from scholarly practice Chapters investigate the human rights of children in literature and international policy the potential subjective agency and power of the child the role models proposed for young people the diverse identities children embody and encounter and the environmental well being of future human and nonhuman generations As a snapshot of our developing historical moment this collection identifies emergent trends considers theories and critiques of childhood and literature and observes how new technologies and paradigms are destabilizing past conventions of storytelling and lived experience *The Age of the Horse* Susanna Forrest,2017-05-02 A

superb account of the enduring connection between humans and horses Full of the sort of details that get edited out of more traditional histories The Economist Fifty six million years ago the earliest equid walked the earth and beginning with the first known horse keepers of the Copper Age the horse has played an integral part in human history It has sustained us as a source of food an industrial and agricultural machine a comrade in arms a symbol of wealth power and the wild Combining fascinating anthropological detail and incisive personal anecdote equestrian expert Susanna Forrest draws from an immense range of archival documents as well as literature and art to illustrate how our evolution has coincided with that of horses In paintings and poems such as Byron s famous Mazeppa in theater and classical music including works by Liszt and Tchaikovsky representations of the horse have changed over centuries portraying the crucial impact that we ve had on each other Forrest combines this history with her own experience in the field and travels the world to offer a comprehensive look at the horse in our lives today from Mongolia where she observes the endangered takhi to a show horse performance at the Palace of Versailles from a polo club in Beijing to Arlington Virginia where veterans with PTSD are rehabilitated through interaction with horses For the horse addicted a book can get no better than this original cerebral and from the heart The Times London

Gustavus v Wallenstein John Pike, 2025-11-04 offers an interesting insight on his the author s two protagonists namely their differing experience of conflict in Eastern Europe The Journal of Military History The conflict personal rivalry and contrast in personality generalship and command between the two iconic commanders in the Thirty Years War King Gustavus Adolphus of Sweden for the Protestant powers and Albrecht von Wallenstein Duke of Friedland More than just commanders at the tactical level they were statesmen military organizers and strategists on a continental scale Both commanders represented the 17th century military revolution in action The writing is vivid graphic and detailed without overloading and readers can feel involved in the action from strategic planning to battlefield tactics and even the melee Both generals are titanic figures come and their respective deaths Gustavus heroically in battle and Wallenstein murdered with the Emperor s compliance were dramatic highpoints in the long war This is no hagiography and the author analyses the contrasting reputations of two of the greatest military figures in modern history and analyses mistakes as well their triumphs Both commanders understanding of the role of the modern state and finance as vital factors in the military revolution and modern warfare A major contrast was Gustavus s constant search for the tactical and strategic initiative compared to Wallenstein s caution and patience and development of counter punch defensive tactics Exceptional for the period a young warrior like an Alexander Gustavus excelled in inspired battlefield leadership even at huge risk Despite his death at Lutzen in 1632 he and his steadfast chancellor Oxenstierna had decisively defeated the Emperor s attempt to subjugate the Empire and introduce the Catholic counter reformation Gustavus contributed hugely to the ending of Habsburg supremacy while advancing new concepts in modern war His death ushered in his acolytes including generals Baner Saxe Weimar and Torstensson Gustavus or Wallenstein the greater of the two The reader must judge but Napoleon included

Gustavus in his list of ten greats with Julius Caesar Hannibal Barca and Alexander the Great

Eventually, you will unconditionally discover a further experience and expertise by spending more cash. nevertheless when? accomplish you put up with that you require to acquire those all needs gone having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to understand even more approximately the globe, experience, some places, taking into account history, amusement, and a lot more?

It is your unquestionably own times to put on an act reviewing habit. accompanied by guides you could enjoy now is **War Horse A History Of The Military Horse And Rider** below.

War Horse A History Of The Military Horse And Rider Introduction

In today's digital age, the availability of War Horse A History Of The Military Horse And Rider books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of War Horse A History Of The Military Horse And Rider books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of War Horse A History Of The Military Horse And Rider books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing War Horse A History Of The Military Horse And Rider versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, War Horse A History Of The Military Horse And Rider books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing War Horse A History Of The Military Horse And Rider books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for War Horse A History Of The Military Horse And Rider books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, War Horse A History Of The Military Horse And Rider books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of War Horse A History Of The Military Horse And Rider books and manuals for download and embark on your journey of knowledge?

FAQs About War Horse A History Of The Military Horse And Rider Books

1. Where can I buy War Horse A History Of The Military Horse And Rider books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a War Horse A History Of The Military Horse And Rider book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of War Horse A History Of The Military Horse And Rider books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
