War Bonds Love Stories From The Greatest Generation:

War Bonds Cindy Hval, 2015-02-10 A look at love during World War II that celebrates not only the personal sacrifices these couples made to serve their country but also their devotion to one another San Francisco Book Review America's World War II is most often told through the stories of its great battles when an entire generation of our young men was suddenly thrust across the oceans to represent the New World in deadly combat against the great powers of the Old On sea in the air and on land our boys fought against totalitarian powers that threatened to overturn the American ideal of liberty for every individual even civilization itself But while often forgotten America's women participated too On the home front they were more than willing to share in the hardships of wartime and in countless cases they fairly lived and breathed with support for our troops overseas Whether working in factories or taking care of families rationing or volunteering their unflagging support contributed more to our victories than has ever been told Young people have been falling in love since time began but romance during a global conflagration brought a unique set of challenges The uncertainty of the time led to an abundance of couples marrying quickly after brief courtships Others grew closer through intermittent correspondence in which the soldier was often censored by officers yet true longing from both sides invariably came through It was the worst time of all to try to have a relationship yet amazingly thousands of couples created lifelong bonds From blind dates to whirlwind romances to long separations War Bonds highlights stories of couples who met or married during WWII Each of the thirty stories begins with a World War II era song title and concludes with a look at wartime couples in their twilight as well as when they were so hopeful and young and determined to save the world Illustrated with photographs from the 1940s as well as current ones of each couple War Bonds offers readers a glimpse of bygone days as well as a poignant glimpse of our own During history's greatest war it was no time to start a relationship But many among our young men and women did so regardless and in this book we see how amazingly the war bonds of that World War II generation so frequently endured

Chicken Soup for the Soul: The Wonder of Christmas Newmark, 2018-10-16 Share in the wonder and joy of Christmas From holiday hijinks to magical moments from family traditions to the spirit of giving there's no time of year like the holidays You'll laugh out loud at some stories others will make you tear up a little These heartwarming fun and inspirational stories will leave you with a smile and enthusiasm for the season that will last all year long And we didn't forget that you can find fun and wonder in the rest of the holiday season with stories about Thanksgiving Hanukkah and New Year's There's something for everyone in these joy-filled pages **Chicken Soup for the Soul: The Joy of Christmas** Amy Newmark, 2016-10-18 Anyone who loves this joyous time of year will love these heartwarming and entertaining stories of family bonding holiday hijinks community spirit and family and religious traditions A fantastic holiday gift and a great way to start the season **Myth and the Greatest Generation** Kenneth Rose, 2013-05-13 Myth and the Greatest Generation calls into question the glowing paradigm of the World War II generation set up by such books as The Greatest Generation by Tom

Brokaw Including analysis of news reports memoirs novels films and other cultural artefacts Ken Rose shows the war was much more disruptive to the lives of Americans in the military and on the home front during World War II than is generally acknowledged Issues of racial labor unrest juvenile delinquency and marital infidelity were rampant and the black market flourished This book delves into both personal and national issues calling into questions the dominant view of World War II as The Good War

The Greatest Generation Speaks Tom Brokaw, 2000-03-08 NEW YORK TIMES BESTSELLER A heartwarming gift for the holidays a powerful selection of the letters Tom Brokaw received in response to his towering 1 bestseller The Greatest Generation When I wrote about the men and women who came out of the Depression who won great victories and made lasting sacrifices in World War II and then returned home to begin building the world we have today the people I called the Greatest Generation it was my way of saying thank you But I was not prepared for the avalanche of letters and responses touched off by that book I had written a book about America and now America was writing back Tom Brokaw In the phenomenal bestseller The Greatest Generation Tom Brokaw paid affecting tribute to those who gave the world so much and who left an enduring legacy of courage and conviction The Greatest Generation Speaks collects the vast outpouring of letters Brokaw received from men and women eager to share their intensely personal stories of a momentous time in America's history Some letters tell of the front during the war others recall loved ones in harm's way in distant places They offer first hand accounts of battles poignant reflections on loneliness exuberant expressions of love and somber feelings of loss As Brokaw notes If we are to heed the past to prepare for the future we should listen to these quiet voices of a generation that speaks to us of duty and honor sacrifice and accomplishment I hope more of their stories will be preserved and cherished as reminders of all that we owe them and all that we can learn from them

Chicken Soup for the Soul: The Power of Gratitude Amy Newmark, Deborah Norville, 2016-08-23 Collects over one hundred inspiring stories in which average people change their lives by actively practicing gratitude

Blood Is Thicker than War Martin King, 2022-09-06 From the author of *Triage* and *Searching for Augusta* comes a history of love hate jealousy and revenge between brothers and sisters during times of war through the ages Journey back through time to discover remarkable accounts of parents who waved off their sons and daughters never knowing if they would ever see them again One mother saw no less than ten of her sons between the ages of eighteen and thirty seven dispatched to the frontline in the First World War The biggest real band of brothers that ever served their country but to discover how many made it back and who this dear lady was you will have to read the rest War is completely indiscriminate when it comes to inflicting suffering and heartbreak on families particularly when one's own blood takes up arms to fight with and in some cases against their own kin These stories recount some of the prime examples of families divided and united in some of the direst conflict When British police discovered the body of a dead woman who locals knew as the Crazy Cat Lady they found a small bundle of possessions that revealed a truly incredible story of two amazing sisters who served behind enemy lines as elite Special Operations Agents SOE during World War II

O Dia

Dicles Rodrigues, 2024-03-15 Poucas batalhas foram tão incensadas representadas e tomadas como exemplares das virtudes desejáveis em uma guerra como o Desembarque das Forças Aliadas na Normandia França no dia 6 de junho de 1944 evento conhecido como Dia D Essa data da Segunda Guerra Mundial foi mesmo tão decisiva para o destino do planeta Ou os Estados Unidos transformaram o Dia D em um mito de salvação do mundo Esta obra destrincha como ocorreu a mitificação desse evento histórico que ganhou magnitude por meio da atuação política de diferentes governos da indústria cultural do mercado editorial e mostra o papel que Ronald Reagan Bill Clinton Steven Spielberg Tom Hanks entre outras personalidades além de livros filmes e videogames tiveram nesse processo

The Self-Improvement of Chess Mark Borders, 2007-10-01 The Self Improvement of Chess Why the Game's Basics Apply to Daily Living is a journey into how the world's ultimate brain game is a perfect model for constructing and organizing your everyday life from a person who is just an average recreational player There are few diagrams and notations to bog down the casual reader Rather it is a collection of insights and stories that illustrate a practical perspective of the game It covers how even just the basic rules and fundamentals of chess can be applied to situations that arise in daily living
