Warfare Witness Contending With Spiritual Opposition In Everyday Evangelism:

Warfare Witness Stanley D. Gale, 2005 Spiritual warfare is a popular topic with no shortage of books addressing the subject. However, rather than this important issue being developed from a biblically founded view, it is often drawn from extra-biblical ideas with God's Word brought to the service of human notions. In *Warfare Witness*, Stanley Gale sets out to rectify this trend. Spiritual warfare forms the backdrop against which we understand life, the work of Christ, and our work of ministry in the world in which we live. God has not left us without instruction on the subject of the spiritual opposition we face and how we are to wage spiritual warfare. In fact, the Bible is full of the counsel of God to equip us for the task. *Warfare Witness* fixes our attention firmly upon God's word, enabling us to understand the opposition believers face in reaching others for Christ. Jesus has won the war, as only He could, but there remains a battle taking place, one that involves us. In our spiritual growth, we face a foe, and it is of great importance that we know what this foe looks like and how to deal with it. The Lord has not left us to fight this battle alone, and when we look to His word, we will find it an immense source of strength, guidance, and preparation for the fight.

Fighting Satan Joel R. Beeke, 2015-06-23 In a day when society has in many ways placed itself under Satan's rule, when Satanism is flourishing in Western nations, when certain branches of the church are preoccupied with deliverance ministries, and when others deny the devil's existence, *Fighting Satan* is a sober, practical perspective on this vital subject. Joel R. Beeke states, "We must know our enemy. We must know how to withstand him and what spiritual weapons to take up against him. We must defeat him by faith through lives that bear fruit and spread the truth." With questions for reflection and discussion at the close of each chapter, *Fighting Satan* is ideal for group and individual Bible study.

Good News About Satan Bob Bevington, 2015-01-01 The bad news of Satan, while serious, is overshadowed by the good news of Jesus. Here are the plain teachings of Scripture regarding Satan, demons, and spiritual warfare from a perspective that makes paramount the sovereignty of God and the finished work of Christ. Containing none of the unfruitful speculations so common to this topic, we believe it differs significantly from virtually every other book on the subject. Finding Forgiveness Stanley D. Gale, 2016-11-25 If you are a Christian, you have personally experienced the joy of sins forgiven and reconciliation with God. Forgiveness, writes Stanley Gale, is a divine accomplishment to be savored and offered to others. Forgiveness is the most basic of Christian graces, yet the topic raises many questions, including these: Is it biblical to forgive and forget? Why do we need to confess our sins if they are

already forgiven How do we actually go about forgiving someone Does the Bible give a place to forgiving ourselves What does life look like after forgiveness In *Finding Forgiveness* you will discover practical answers to these questions and many others With pastoral warmth the author will help you see how the awe of the gospel dawns anew for those who apply forgiveness and experience the healing of a burdened spirit or broken relationship *Wat is geestelike oorlogvoering?
