Was Jesus A Muslim Questioning Categories In The Study Of Religion:

Was Jesus a Muslim? Robert F. Shedinger, An intriguing question Do Muslims understand Jesus in some ways more historically appropriate than Christians do leads Robert F Shedinger into a series of provocative challenges to the disciplines of religious studies and comparative religions Questioning the convenient distinction between politics and religion and the isolation of religion from wider social and cultural questions Shedinger offers a proposal for a more accurate and respectful understanding of faith that he argues will improve possibilities for mutual understanding among Christians Muslims and others

Rediscovering Jesus David B. Capes, Rodney Reeves, E. Randolph Richards, 2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life

A Thematic Access-Oriented

Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Nicholas of Cusa and Islam Ian Christopher Levy, Rita George-Tvrtković, Donald Duclow, 2014-06-26 To explore Christian Muslim relations at the dawn of the modern age this book examines Nicholas of Cusa's seminal works on the Qur'an and world religions It also considers Muslim responses to Christianity and other Christian writings on Islam

Jesus and Jihad Robert F. Shedinger, 2015-06-22 Few words inspire more fear in Americans these days than jihad Its mere utterance conjures up images of car bombs exploding in crowded markets Boeing 737s crashing into tall buildings and flag burning gun toting bearded Arab men shouting allahu akbar and Death to America But what if all our stereotypical images of jihad are wrong and when rightly understood jihad turns out to be the perfect lens through which to understand the life and mission of Jesus Jesus and Jihad argues that in early Muslim sources jihad stood for the struggle to transform a violent and unjust pre Islamic society into one characterized by

greater levels of justice and peace When rescued from his Christian pietistic misinterpretations Jesus emerges as a highly prophetic figure of resistance to the injustices authorized by Roman imperial power As Muslims reengage an authentic understanding of jihad and Christians through a renewed understanding of jihad meet the prophetic Jesus from whom they have become estranged a new era of Christian Muslim cooperation in the struggle against injustice can become the norm replacing the current antipathy dividing these communities with a passion to reclaim once again a prophetic heart in service to a hurting world

Radically Open Robert F. Shedinger, 2012-11-09 America stands in the throes of an anxiety epidemic yet Americans live in one of the most religious countries in the world Shouldn't people with deep spiritual roots be less vulnerable to emotional suffering Such an enigma stands at the center of this book but the enigma turns out to be more apparent than real The overt religiosity so characteristic of modern American society ironically serves to foster the anxiety epidemic by locking people into a disenchanted secular mindset leaving them cut off from the deep spiritual resources they so desperately need in the face of mounting anxiety Based on the author's own journey through the darkness of anxiety in conversation with the psychology of Carl Jung this book argues that transcending religious identity and submitting to the greater wisdom of the cosmic story holds a powerful key to resolving anxiety and creating a more just and sustainable world Surprisingly the Islamic tradition may provide one of the best models for how to accomplish this

Rethinking Obama Julian Go, 2011-11-16 Includes a selection of papers exploring Obama and the Politics of Race Religion This title examines the complex dynamics of race relations and racial meaning in America under the Obama administration It assesses the meanings of race and religion in America under the Obama administration

Field Hospital William T. Cavanaugh, 2016 Compelling social perspectives from a prominent Catholic scholar Pope Francis in a 2013 interview famously likened the church to a field hospital In this book William Cavanaugh adopts Pope Francis's metaphor to show how the church can help heal both the spiritual and the material wounds of the world As he examines the intersection of theology with themes of religious freedom economic injustice religious violence and other pressing topics Cavanaugh emphasizes that the church cannot condemn the evils of the world from a position of superiority Rather he says its practices of solidarity with humanity must be based on a profound recognition that the church shares in the guilt of human sin Cavanaugh's *Field Hospital* provides guideposts for a church that is willing to go outside of itself onto today's battlefields both metaphorical and literal not to inflict wounds but to bind them up and heal them

The Cambridge Companion to Christian Political Theology Craig Hovey, Elizabeth Phillips, 2015-11-20 This volume explores contemporary Christian political theology discussing its traditional sources its emergence as a discipline and its key issues
