Learn to speak and write Malayalam in 30 days YouGuide Ltd, **Gender and Popular Visual Culture in India** Francis Philip Barclay, Kaifia Ancer Laskar, 2023-11-03 Perhaps male mindedness seems to have adapted to changing contemporary circumstances to become more covert and conspiratorial Sexist suggestions through objectification and substantiated subordination for instance may have been explicit in Indian media a decade earlier But in the contemporary times of online social media and vociferous feminism such openness of unfairness against women in the media will more often than not be met with strife and unpalatable backlash fearing which blatant prejudice is prudently steered clear of It is hence understandable that patriarchy to sustain itself as a culture has adapted to become more benevolent in an increasingly hostile environment To identify such sly and stealthy sexism embedded in media content one may need a reconfigured grasp of contemporary feminist issues and an altered nuance for isolation and identification of discriminatory depictions This book exposes redefined and hidden sexism that predominates the popular visual culture of India particularly investigating mass and new media representations that are a prime part of and have a domineering effect on the ensemble of popular visual culture and characterises contemporary feminist movements It binds a collection of contemporary Indian case studies of sexism and feminism encompassing communication media such as print cinema television Web series and social media There is a lack of book titles that study media sexism in the present times and the proposed book aims to explore an unexplored area that is of social and scholarly importance This book highlights the duality of media platforms while media is a critical tool associated with fourth wave feminism they still remain to be a deterrent to the development of women engendering inherent and age old patriarchal notions This book will be an eye opener to the general readers about benevolent sexism and train them to identify sexism hidden in seemingly pro women media representations **The Caravan** Delhi Press, 2017-11-11 Salman Khan has appeared in some of the biggest blockbusters in Hindi film history But his career has been blighted by allegations of involvement in crimes of poaching domestic violence and culpable homicide In the last decade the star has tried to reform his image If he has succeeded to some extent Anna MM Vetticad reports it has been not just through his own efforts but also the willingness of his fans and many around him to accept or justify even his most disturbing behaviour Also in this issue How Malayalam cinema's only female superstar got back to work The cinematic myth making of Louis Mountbatten Why Indian films box office figures do not add up Nepali politics sees a major reconfiguration in time for a watershed election Unsafe abortions through the ages Old Delhi's subversive love letter manuals **Indian Horror Cinema** Mithuraaj Dhusiya, 2017-09-13 This book studies the hitherto overlooked genre of horror cinema in India It uncovers some unique and diverse themes that these films deal with including the fear of the unknown the supernatural occult practices communication with spirits of the deceased ghosts reincarnation figures of vampires zombies witches and transmutations of human beings into non human forms such as werewolves It focusses on the construction of feminine and masculine

subjectivities in select horror films across seven major languages Hindi Tamil Telugu Kannada Bangla Marathi and Malayalam The author shows that the alienation of the body and bodily functions through the medium of the horror film serves to deconstruct stereotypes of caste class gender and anthropocentrism Some riveting insights emerge thus such as the masculinist undertow of the possession narrative and how complex structures of resistance accompany the anxieties of culture via the dread of laughter This original account of Indian cinematic history is accessible yet strongly analytical and includes an exhaustive filmography The book will interest scholars and researchers in film studies media and cultural studies art popular culture and performance literature gender sociology South Asian studies practitioners filmmakers as well as cinephiles

Hindu Nationalism in South India Nissim Mannathukkaren, 2024-07-31 Hindu Nationalism in South India engages with a range of factors that shapes the trajectory of Hindu nationalism in Kerala the southern state of India Until recently Kerala was considered a socio political exception which had no room for Hindu nationalism This book questions such Panglossian prognosis and shows the need to map the ideological and political growth of Hindu nationalism which has been downplayed in the academic discourse as temporary aberrations The introduction to the book places Kerala in the context of South India Arguing that Hindutva is a real force which needs to be contended within theoretical and empirical terms the chapters in this book examine Hindu nationalism in Kerala in relation to themes such as history caste culture post truth ideology gender politics and the Indian national space Considering the rise of Hindu nationalism in the recent years this pioneering book will be of interest to a students and academics studying Politics in particular Nationalism Asian Politics and Religion and Politics and South Asian Studies

Film Authorship in Contemporary Transmedia Culture Wikanda Promkhuntong, 2025-10-01 Film Authorship in Contemporary Transmedia Culture The Paratextual Lives of Asian Auteurs examines film authorship in the transmedia era whereby film directors have become public figures through a wide range of textual material and performative practices The book draws on the notion of paratext and its related term palimpsest to bring forth the idea of self reflexive authorship as a method of examining the mediated past present and afterlife of East Asian filmmakers The first part of the book pays attention to materials surrounding film festivals multi platform distribution and cinephile fan creative practices which have been created rewritten and shared to foster and problematize the reputations of selected filmmakers The second part examines alternative modes of self

projections and creative productions that address the filmmakers sense of selves and relations with the industry and the public Across different chapters discourses surrounding film authorship and East Asian cinema are revisited and expanded to highlight its multiple histories and possible futures **Piracy in the Indian Film Industry** Arul George

Scaria,2014-05-15 This book studies the social cultural historical legal and economic dimensions of copyright piracy in India
Good Innings Shobha Tharoor Srinivasan,2022-05-16 Lily Tharoor was born in a small village in Kerala in the mid 1930s From this humble beginning she would live around the world raise three global citizens and inspire multiple generations with her drive to learn and achieve Fiercely independent and ambitious she pushed her children including her son Shashi to always think outside the box The only ground firm enough to stand on she told them is the one written into existence by your own hand In Good Innings Shobha Tharoor Srinivasan tells her mother Lily s extraordinary ordinary story through a combination of personal reflections life lessons and philosophical insights The result is a collection of teachable vignettes aimed to galvanize a new generation into growth and action Every chapter starts with an anecdote which will encourage conversations and transformations in the reader s life Good Innings is an intimate account of the life of a beloved matriarch with a modest background and an iron will a woman who learned from the school of life and now has lessons to share of her own
