Water And Other Stories:

Bad Water and Other Stories of the Alaskan Panhandle Tom Hunt, 2013-03 Bad Water and Other Stories of the Alaskan Panhandle is a book of short stories set in southeast Alaska on an archipelago about the size of Florida There are not many people and most of them live in a few small scattered towns Some live in the more remote areas of the thousands of miles of coastline and hundreds of backwater bays and coves making a living at whatever is available Alaska is a place where geography and weather dictate human behavior and that could mean eating the same dried beans rice deer meat and fish for a good part of the year With no freeways and little law enforcement a 911 call means contacting the Coast Guard people must learn to be self sufficient especially in times of emergencies Sometimes people make their own solutions to solve problems If a solution doesn't work and you're still alive it's time to try another The folks that live in this remote part of Alaska do whatever it takes to make it work There's a freedom that can't be had in civilization but the price is high These are their stories

[The Water of Life](#) Rita Knipe, 1989-08-01

Mythology flows like a subterranean stream throughout Hawaii i Rita Knipe has selected a number of characteristic myths and mythological figures from the rich pantheon of Hawaiian deities As she retells their stories illustrated by Hawaii artist Dietrich Varez the transposition of such primal drama to the pages of this book becomes poetic theater The dramatic plots are myths and legends chosen from the oral traditions of unique island people but the underlying themes and symbols are

archetypal and eternal Drawing parallels between Hawaiian mythology universal patterns and individual behavior the author illustrates certain basic Jungian concepts and explains how we express them in the drama of our own lives It's in the Water and Other Stories Ronald W.
