

Waterloo 1815 Paul Wietzorek

Peter Hofschröer

Waterloo 1815 Paul Wietzorek:

Waterloo 1815 Paul Wietzorek, 2015-05 **Waterloo 1815: Wavre to Plancenoit** Peter Hofschröer, 2020-01-31 The acclaimed historian sheds new light on the Battle of Waterloo and the defeat of Napoleon with a focus on the Prussian Army's critical contribution. Histories of the Waterloo campaign that brought an end to the Napoleonic Wars generally concentrate on the battle between the armies of Napoleon Bonaparte and the Duke of Wellington, giving Field Marshal Blücher's Prussian forces only passing attention. But in this fascinating historical analysis of the conflict, Peter Hofschröer provides a full account of the Prussians and their critical but often neglected side of the battle. Hofschröer vividly recounts the grueling Prussian advance towards the battlefield and the ferocious and decisive fight that broke out when they arrived. At every stage, he allows the reader to follow in the footsteps of the Prussian soldiers as they struggled across the Belgian countryside on that fateful day in 1815. *Waterloo, 1815-1865* Johan Frederik George Meijer, 1865 **Waterloo, 1815** Bern Jeschonnek, 1979

Waterloo 1815, 1981 **Waterloo 1815** Erich Duesterwald, 1976 **Waterloo 1815 (2)** John Franklin, 2015-02-20 This title represents the second instalment of the captivating study of the Waterloo campaign, one of the defining events in European history. In particular, it focuses on the desperate struggle for Ligny, which saw the Prussians pushed back by the French Army after heavy fighting in what was to be Napoleon's last battlefield victory. With Wellington unable to assist his Prussian allies in time, the Prussian centre was overwhelmed as night began to fall, although the flanks were able to retreat in some semblance of order. Stunning illustrations augment the drama of the fighting in this area, while considerable new research drawn from unpublished first-hand accounts provides a detailed and engaging resource for all aspects of the battle.

Waterloo 1815 (3) John Franklin, 2015-06-23 Waterloo is one of the defining campaigns of European history. The name conjures up images of the terrible scale and grandeur of the Napoleonic Wars and the incredible combined effort that finally ended Napoleon's aspirations of power in Europe. Drawn from unpublished first-hand accounts and detailed illustrations, this comprehensive volume is the ideal resource for studying the intense fighting at the battles of Waterloo and Wavre, the final decisive engagements of the Waterloo campaign. Those two battles are at the heart of this study, which explores the action at Mont St Jean, where Wellington managed to hold the French at bay until the arrival of the Prussians under Blücher, who saw the Allies secure a hard-fought victory at the dramatic climax of the 100 days. *WATERLOO* HENRY. HOUSSAYE, 2008

Waterloo George Hooper, 1862
