Waters Way Life Along The Chesapeake:

Water's Way Tom Horton, 2000-07-31 *Water's Way* communicates the beauty and essence of the Chesapeake Bay through photography and prose. Those who know and love the Chesapeake will find the bay they treasure on the pages of *Water's Way: Life along the Chesapeake*. The story of one of North America's most fascinating regions unfolds through the sensitive photographs and prose of two men who have studied the Chesapeake all their lives. Photographer David W. Harp and writer Tom Horton vividly portray how as Horton writes the edges where land and water meet charm us all from watermen to watercolorists and beachcombers to duck hunters. *Water's Way* will guide you to those rare hidden nooks of the bay country where nature still appears as glorious and untrammelled as it did a thousand years ago. It will also take you to less hidden but equally intriguing sites within the Chesapeake's reach as Harp and Horton depict the worlds of both nature and humans. An intimate knowledge of and an unwavering reverence for the bay pervade *Water's Way*. Harp and Horton are as attuned to the romance that still clings to the Chesapeake as they are to the realities that inspire and threaten it. In a time when the region faces tremendous changes and challenges, *Water's Way* is neither strident nor sentimental. Rather, it is suffused with the fundamental respect for the bay which Harp and Horton see as key to its survival.

Life along the Inner Coast Robert L. Lippson, Alice Jane Lippson, 2009-11-15 For decades marine scientists Robert and Alice Jane Lippson have traveled the rivers, backwaters, sounds, bays, lagoons, and inlets stretching from the Chesapeake Bay to the Florida Keys aboard their trawler *Odyssey*. The culmination of their leisurely journeys, *Life along the Inner Coast* is a guide to the plants, animals, and habitats found in one of the most biologically diverse regions on the planet. It is a valuable resource for naturalists, students, and anyone who lives or vacations along the Atlantic inner coast. *Southern Gateways Guide* is a registered trademark of the University of North Carolina Press.

House at Royal Oak Carol Eron Rizzoli, 2010-04-28 An unforgettable story about a couple who follow their dream of converting a run-down country house into a working bed and breakfast and what they learn along the way from an old home, a close-knit community, and a parade of extraordinary guests. One spring Carol Eron Rizzoli and her husband Hugo bought a dilapidated farmhouse in the tiny village of Royal Oak, Maryland, on the edge of the Chesapeake Bay. They spent two years transforming it into a bed and breakfast, which took them twice as long and cost three times as much as they had originally estimated on the back of a napkin. As they struggled to restore the house and open the B&B, Carol and Hugo were also slowly acquainting themselves with the rural community of Royal Oak, rich in custom and culinary traditions and populated by neighbors with particular views on politics, hunting, wildlife, and of course newcomers from the big city. Written with honesty and humor, *The House at Royal Oak* is a journey to the heart of what it means to start over and chase a dream. Part inspirational account of reinventing yourself at mid-life, part love story about learning what matters most in a relationship, it is above all a book about home, what it means, and the unexpected places we find it.
