Wavell The Viceroy's Journal:

Wavell Archibald Percival Wavell Earl of Wavell, 2002-01-01 **Wavell: The Viceroy's Journal** Archibald Percival Wavell Wavell (1st Earl of), Penderel Moon, 1973 The Journal Is Of Unique Value As A Record Of Events The Consequences Of Which Continue Have International Importance Viceroy Wavell's Activities And Impressions Are Set Down With Disarming Immediacy And Directness **Wavell**, 1973 **Gandhi and Indian Independence** Dr. Padma Ramakrishnan, 2021-06-14 Several years after his assassination Mahatma Gandhi remains an elusive figure discomfiting and difficult to comprehend In this book Dr Padma Ramakrishnan gives great weight to Gandhi's role in Indian Independence and assesses his influence and triumphs She has appraised the role of Mahatma Gandhi in the transfer of power from the point of view of a political scientist The book is analytical and objective presenting Gandhi as a political leader not as a visionary The author analyses the politics of negotiation in her chapters on the Shimla Conference the Cabinet Mission Plan and Interim Government In the chapter Gandhi and the Partition of India she concludes that it was not Gandhi who was responsible for the partition of India This is a distinct contribution to the scholarly output of Gandhian studies *Keeping the Jewel in the Crown* Walter Reid, 2016-05-19 An in depth look at what truly happened when the Great Britain gave India its independence from the author of *Five Days from Defeat* When India became independent in 1947 the general view which has prevailed until now is that Britain had been steadily working for an amicable transfer of power for decades In this book Walter Reid argues that nothing could be further from the truth With reference to a vast amount of documentary material from private letters to public records and state papers Reid shows how Britain held back political progress in India for as long as possible a policy which led to unimaginable chaos and suffering when independence was granted and which created a legacy of hatred and distrust that continues to this day Praise for *Keeping the Jewel in the Crown* A fascinating robust and provocative version of the sunset of the Raj Lawrence James author of *Raj The Making and Unmaking of British India* A thorough and hard hitting account presented with clarity and sobriety BBC History Magazine UK An excellent and original work A meticulously researched pioneering study that will appeal to many in both countries The Open India It is a rare book that will alter the way you look at one of history's pivotal events and one of its greatest tragedies but this is one of them Matt Rubin Washington Times [India's Partition](#) Devendra Panigrahi, 2004-08-19 This title offers an examination of the circumstances surrounding India's independence from Britain and the partition of the subcontinent **Fighting Retreat** Walter Reid, 2024 Winston Churchill was closely connected with India from 1896 when he landed in Bombay with his regiment until 1947 when independence was finally achieved No other British statesman had such a long association with the sub continent or interfered in its politics so consistently and harmfully Churchill strove to sabotage any moves towards independence crippling the Government of India Act over five years of dogged opposition to its passage in the 1930s As Prime Minister during the Second World War Churchill frustrated the freedom struggle from behind the scenes delaying independence by a decade To this day he is the imperialist villain for

Indians held personally responsible for the Bengal Famine This book reveals Churchill at his worst cruel obstructive and selfish The same man was outstandingly liberal at the Colonial Office risking his career with his generosity to the Boers and the Irish and later speeding up independence in the Middle East Why was he so strangely hostile towards India The Indian Army and the End of the Raj Daniel Marston,2014-04-24 A unique examination of the role of the Indian army in post World War II India in the run up to Partition Daniel Marston draws upon extensive archival research and interviews with veterans of the events of 1947 to provide fresh insight into the final days of the British Raj The Labour Governments, 1945-51 Henry Pelling,1984-05-03 This book by the author of the best seller Winston Churchill is a concise reassessment of the first postwar British Governments based upon original sources a task not previously attempted by any scholar While sympathetic to Labour s aims in the 1945 general election campaign which itself receives fresh treatment Henry Pelling exposes areas of difficulty and weakness in the Government s strategy and uncovers the doubts and hesitations of its leaders Much of the evidence comes from official papers recently released to the Public Record Office but the private papers of Attlee Morrison Bevin and Dalton among others have been drawn upon to add details to the story For the first time too there is a study of the importance of Marshall Aid as well as of the friction that is occasioned behind the scenes with the Truman Administration and the US Congress Highly readable this book makes a major contribution to recent history and to a better understanding of the present political and international situation **India and the Interregnum** Rakesh Ankit,2018-12-13 India s interim government in office from 2 September 1946 till August 1947 was a unique coalition of the Indian National Congress All India Muslim League and non Congress and non League political figures all presiding over a British British trained state apparatus during a period of political transition These eleven months were packed as much with the events surrounding the formal exit of the empire as its informal continuance as much with the anticipation of Partition as its alternatives Though it stands at a juncture of India as a colony and a dominion it has been overlooked by colonial and postcolonial historiography of that interval given its sole identification with Partition Independence India in the Interregnum moves beneath and beyond this understanding in order to first restore identity to the interim government and its provincial counterparts and investigate their work and second recover the legacy of the interim government in the formation of contemporary India

Reviewing **Wavell The Viceroy's Journal**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing.
