# Waverley Walter Scott

**Walter Scott**

## **Waverley Walter Scott:**

Waverley Sir Walter Scott, 2017 *Waverley* is noteworthy not only in being the author's first novel but also because it gives a fine panorama of an important historic period. The story is written around the Jacobite insurrection of 1745 led by Prince Charles Edward Stuart in the endeavor to place his exiled father upon the English throne. It deals closely with Scotch people and customs. Edward Waverley, the hero, is a young English gentleman, prospective heir to his uncle's large estate. As a means of completing his education, he is sent with a captain's commission to join the regiment of Colonel Gardiner stationed in Scotland. Affairs in camp not being of warlike nature at this time, he obtains an extended leave of absence to visit his uncle's friend Bradwardine, baron of an estate at Tully Veolan. Several weeks are spent with the worthy old Scotch veteran and his pretty daughter Rose. At this juncture, the baron's cattle are driven off by Donald Bean Lean's band of freebooters, and a go-between visits the baron to obtain blackmail for their return. *Waverley* Sir Walter Scott, 1912 The Works of Sir Walter Scott Sir Walter Scott, 1912 *Picturing Scotland through the Waverley Novels* Dr Richard J Hill, 2013-04-28 Innovative and accessibly written *Picturing Scotland* examines the genesis and production of the first author-approved illustrations for Sir Walter Scott's *Waverley* novels in Scotland. Consulting numerous neglected primary sources, Richard J Hill demonstrates that Scott, usually seen as disinterested in the mechanics of publishing, actually was at the forefront of one of the most innovative publishing and printing trends: the illustrated novel. Hill examines the historical precedents, influences, and innovations behind the creation of the illustrated editions, tracking Scott's personal interaction with the mechanics of the printing and illustration process as well as Scott's opinions on visual representations of literary scenes. Of particular interest is Scott's relationships with William Allan and Alexander Nasmyth, two important early nineteenth-century Scottish artists. As the first illustrators of the *Waverley* novels, their work provided a template for one of the more lucrative publishing phenomena. Informed by meticulous close readings of Scott's novels and augmented by a bibliographic catalogue of illustrations, *Picturing Scotland* is an important contribution to Scott studies, the development of the illustrated novel, and publishing history. *The Works of Sir Walter Scott* Walter Scott, 1912 **Waverley** Walter Scott, 2015-04-09 the most romantic parts of this narrative are precisely those which have a foundation in fact. Edward Waverley, a young English soldier in the Hanoverian army, is sent to Scotland where he finds himself caught up in events that quickly transform from the stuff of romance into nightmare. His character is fashioned through his experience of the Jacobite rising of 1745-6, the last civil war fought on British soil, and the unsuccessful attempt to reinstate the Stuart monarchy represented by Prince Charles Edward. Waverley's love for the spirited Flora MacIvor and his romantic nature increasingly pull him towards the Jacobite cause and test his loyalty to the utmost. With *Waverley*, Scott invented the historical novel in its modern form and profoundly influenced the development of the European and American novel for a century at least. *Waverley* asks the reader to consider how history is shaped, who owns it, and what it means to live in it, questions as vital at the beginning of the twenty-first century as the nineteenth. ABOUT THE

SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

**Waverley** Sir Walter Scott, 2001-04 Edward Waverley is a young, cultured man whose sensibilities lead to his involvement in the Jacobite Rising of 1745. In his journey into Scotland, down to Derby and back up again, he explores the cultural and political geography of Great Britain. *Waverley* or *tis Sixty Years Since* was Scott's first novel, but like its final chapter, *A Postscript*, which should have been a Preface, it appears as one of the last in this series so that the full weight of experience gained from editing Scott's fiction can be brought to understanding his most influential novel, the one which gave its name to the *Waverley Novels*. To this edition, P. D. Garside brings new insights and new information and he establishes a text which is significantly different from its predecessors.
