Way We Were Yorkshire Stations:

Memories of the Way We Were D. D. Rocca, 2023-04-28 I stood in front of the headstone which read Rita Rocca Nee Tomlin 15 6 1942 21 10 2020 and thought Is this all there is Her name on a headstone with mine to follow I remembered a warm May Day in 1948 when we both kneeled at the same altar waiting for a priest to give us our first taste of Jesus She in her white dress was wondering if the day would yield enough for a new doll and pram while I wondered if mine would yield enough for roller skates and maybe a new football I recalled the honeymoon in Jersey in 1963 Miss World at the Royal Albert Hall in 1980 and the ball that followed at the Savoy Hotel I said Sorry girl I can t give you a Taj Mahal but I will write a book which will hopefully make us more than just names on a tombstone **Flora!** Flora MacDonald, Geoffrey Stevens, 2021-10-15 Flora Isabel MacDonald politician humanitarian adventurer and role model for a generation of women was known across Canada and beyond simply as Flora In her memoir co authored by award winning journalist and author Geoffrey Stevens she tells her personal story for the very first time Flora describes her amazing journey from her childhood and her time at secretarial school in Cape Breton through her years in backroom Progressive Conservative politics to elected office and her appointment as Canada s first female minister of foreign affairs Finally she details her exceptional humanitarian work in India and in war torn Africa and Afghanistan Flora was driven by a lifelong conviction that there is nothing a woman cannot achieve in a world controlled by men and she pursued this conviction in everything she did carving a path for women in Parliament She won international acclaim for bringing 60 000 Vietnamese refugees to Canada and for engineering the rescue of six American hostages in Tehran in a top secret collaboration with the CIA known as the Canadian Caper She exposed the inhumane treatment of inmates at Kingston s Prison for Women She defied male chauvinists in the Progressive Conservative party by running for its leadership and she introduced the Employment Equity Act to guarantee women equal access to federal jobs Flora was brave She was relentless She was controversial She was a force of nature In her own words and drawing from interviews with those who knew her Flora grants us insight into this exceptional woman who changed the course of history **When I Was a Nipper** Alan Titchmarsh, 2012-04-30 In When I Was a Nipper Alan Titchmarsh goes on a personal and nostalgic journey through post War Britain in search of treasured values and traditions that were once the soul of society With characteristic wit warmth and humour he draws on the experience of his own childhood and also takes a broader perspective creating a wonderfully detailed and evocative portrait of a way of life that is fast disappearing and asks what can we learn from this era of austerity to make our lives better today Born in Yorkshire in 1949 and brought up in a Britain still recovering from World War 2 Alan remembers a time of relative calm when it was enough to return home at night knowing that the house would still be standing We were known throughout the world for our patience resourcefulness and resilience Mustn t grumble was almost a national catchphrase and queuing was second nature Peppered with wonderful archive photographs and advertisements When I Was a Nipper takes us back to those days down high streets and through

farmyards on to trolley buses and into local pubs As we move towards a global economy as communities fragment and customs are lost When I Was a Nipper captures a world that is fast receding into history It s powerfully nostalgic for those who remember those days but it s also Alan s timely call to all recession hit Brits to heed the lessons of austerity Britain make do and mend look on the bright side and take the knocks on the chin **The Story of White Hall Centre** Pete
