Know Your Spiritual Enemies and Destroy Their Kingdom of Darkness Gilbert Enyidah-Okey Ordu,2007 **Deception Unveiled** Louvenia Pickett,2015-02-16 Six Strategies the Enemy Uses to Confuse You about Gods Law to Destroy You is about a man who worked for the King until he decided to promote himself He thought that he would one day rule that Kingdom but was cast out So he became the Kings enemy Instead of giving the Kings message to the people he gives them his own message The adversary rebels against the Kings commands and tries to discredit the Kings words He twists them to deceive the people into following him instead of following the King He secretly plans to lead recruits down unrighteous paths by lies and flatteries to destroy them His followers are taught to duplicate him Since this enemy cannot create he erroneously teaches the laws of his former King to confuse the people He tricks people into his kingdom with false doctrines Those who know the truth defeat him and destroy his works With powerful truths from the Scriptures Louvenia reveals how you can know what is right discern the enemys intent to deceive you be established in the truth know whats done away with and whats not destroy the enemys lies and be established in the faith Do Old Testament laws still apply today Find out the truth about Gods law and the law of Moses and how confusion of the laws leads Christians into following ungodly doctrines that lead to eternal damnation **How to Defend Your Lair** Keith Ammann,2022-11-29 The world is a dangerous place especially when you re up to no good Whether you re a rampaging monster a calculating mastermind or the current possessor of the Golden MacGuffin someone s going to come at you Probably more than one someone You can t know when but you can choose where You need to be ready You need a lair In How to Defend Your Lair gamemaster Keith Ammann pulls back the curtain on an underrated but crucial part of any tabletop roleplaying game the theater of battle Say goodbye to encounters in randomly generated dungeons and hello to a game in which where the fight takes place is just as important as who is doing the fighting This book teaches you how to use real world principles of building security and area defense to create strongholds infused with flavor informed by narrative and complex enough to force your players to think strategically You ll look at the strengths and weaknesses of both defenders and potential attackers creating spaces that are strong enough to keep out ordinary intruders and to provide thrilling challenges to extraordinary ones A Pair of Miracles Karla Akins,2017-07-25 A parent s gripping journey of awareness acceptance and appreciation of her two boys dealing with significant challenges brought on by autism Stephen Mark Shore EdD When Karla Akins hoped that her autistic sons could learn to read and function independently doctors warned her that those expectations would never be met She set out to prove that despite those warnings all things are possible through God Laced with humor and compassion A Pair of Miracles is the heartwarming story of her journey rearing adopted twin sons each diagnosed with autism and fetal alcohol disorder This is more than a moving biography from a mom on the front lines however It is a powerful tool full of practical help for parents educators and church members working with children who have intellectual disabilities speech impairments and other

limitations on the autism spectrum It is also a challenge to the church to welcome and celebrate all the members of their congregation no matter their abilities Thanks to Karla s determination faith and unconditional love and contrary to the doctors predictions her adult twins are now able to function independently in many ways They help their dad install pools do carpentry work and serve in the church as ushers sound engineers and children s ministry workers For parents seeking hope answers and peace Karla leads the way to all three down a path she s already been **Finding the Warrior Within**

Carolyn Alcina,2012-08 See the power of God transform lives through your prayers We are in a war Satan has declared war on God and his people We are called to fight Discover how we have come to be involved in this battle and everything you need to know to unlock the power of prayer Learn how God places a burden on our hearts What He wants us to do with that burden A Burden Bearer becomes a Prayer Warrior To find the warrior within *Samurai and Ninja* Antony

Cummins,2016-08-09 The myths of the noble Samurai and the sinister Ninja are filled with romantic fantasy and fallacy Samurai and Ninja expert Antony Cummins shatters the myths and exposes the true nature of these very real and very lethal medieval Japanese warriors The Samurai and Ninja were in fact brutal killing machines trained in torture and soaked in machismo Many were skilled horsemen and sword fighting specialists while others were masters of deception and sabotage Some fought for loyalty others for personal gain What these warriors all shared in common was their unflinching personal bravery skill and brutality In Samurai and Ninja Cummins separates myth from reality and shows why the Japanese were the greatest warriors of all time He describes the Samurai and the Ninja as they really were in earlier times when battles raged across Japan not in later times when war became obsolete and Japanese warriors became philosophers scholars and courtiers He describes the social context of the day and the feudal world into which the warriors were trained to fight and die for their lords He exposes the essentially brutal nature of warfare in medieval Japan This book is illuminated by many rare Japanese manuscripts and texts which are translated into English for the very first time **Burdens to Blessings** Kim

Crabill,2016-10-01 From the time Kim Crabill experienced a life altering trauma at age four she became an expert in hiding her hurt and confusion behind a mask The trick she discovered was to sing a little louder in choir study a little harder at school and smile a little wider with friends Then no one would notice how damaged her heart was Kim became a classic overachiever academically and socially As an adult she could even speak before crowds with her mask fully intact But she could not hide from the pain of her past and pain that expressed itself through anorexia and diet pill addiction loneliness depression and anxiety attacks In her transparent story Burdens to Blessings Kim invites you along her journey from shame and sadness toward healing and hope In the process you will encounter the upside down truth that God uses you because of your hurt and uncertainty The very things you regret the most the things you hope no one ever discovers about you are what God wants to use to enrich your life and the lives of others around you Discover the confidence and courage to quit hiding and show your true self to God and others Then watch out because you will be showered with opportunities beyond your

wildest dreams to help other hurting people change their burdens to blessings

You Are Today'S Women of the Bible and I Can Prove It Darci Jeffries, 2018-03-26 When Jesus was on earth he did nothing to indicate women were second class citizens For example he asked Mary Magdalene at one of the most critical times in his life to be the disciple to announce his resurrection Yet somewhere in history women have been made to feel like they shouldnt be pastors or leaders of the church because of their gender In You Are Todays Women of the Bible and I can prove it author Darci Jeffries shows women are just as much a child of God as anyone no better than men and no worse than men Through a variety of Biblical entries and scriptures she recognizes the important roles women played in the Bible and how todays women still have significant impact influencing people for Gods kingdom Jeffries notes the influential female of the Bible such as Jochebed Moses mother Esther and Rebekah and shares how its because of those women and the roles they played in Biblical history that todays women have the same level of influence Inspiring todays women to achieve all they can You Are Todays Women of the Bible and I can prove it seeks to get more women working with others for Gods kingdom and to help them understand how important they are in Gods workplace

God's Generation Dwight Tatum, 2018-08-14 God and Satan good and evil the first and last war A war not taking place in heaven but here on earth A war in the invisible spiritual world that goes on as we live from day to day People generally want and desire to be good but often find it hard to be because Satan has created so many avenues into our world

and lives Being invisible deceitful and very crafty we re defenseless and no match for him so God protects us when we ask for his help A lot of us help our enemy in defeating us by lacking faith in God and believing Satan s lies and deceit Some people don t believe in God or Satan but both exist and affect our lives Not believing and allowing Satan into our lives defeat us because he uses us for his purposes God blessed me after living a terrible life to see and experience how Satan deceives us God has blessed me to share my story with you in order to expose Satan and allow you to see him at work in your lives and let you know that you need God to defeat him If you can t recognize him you don t know you re being deceived but God will reveal him to you because Satan can t deceive God
