memories of her own lumpectomy were just the tip of the iceberg She relived the horror of more than thirty years earlier when as a mother of three small children at age 22 she heard those terrible words from Dr DeVillers about her 26 year old husband s cancer condition four to six weeks the doctor had said All of this flashed through her mind at speed warp ten literally in just a few seconds Her life path had taken her through quite a few coaster rides throughout her 57 years but all those were kiddie rides compared to this one And so the mother of all roller coaster rides of life began with that fateful phone call from Dr V Lorraine Dube beat the odds She beat that aggressive Stage 3 sarcoma lodged in her chest wall But the battle was not without many many scars In the process she lost five ribs all her lymph nodes in the right arm area a piece of her clavicle most of the use of her right arm and hand and nearly her life After seven surgeries chemotherapy treatments experimental brachytherapy and countless battles with infection including a flesh eating bacteria inside her chest wall Lorraine Dube was cancer free but left suffering from chronic debilitating pain a souvenir from her ordeal that she would carry for the rest of her life Lorraine was a survivor always had been But this time it was different Why had God spared her from the terrible cancer and its aftermath of surgery infections and lost body parts only to leave her suffering from such unimaginable pain The cancer was gone but at what cost What the heck was she supposed to do with the rest of her life On her way to figuring it out her daughter suggested that she write a book about her life Don t worry about writing a best seller Mom Just write it from the heart Write it for your grandsons Five years later Ms Dube began writing this book the story of her life She tells the story of her life from the earliest recollections of childhood through the sometimes rough years of adulthood all with a few purposes in mind She wants to tell her grandsons about her history their history and to relate all her adult experiences some good some bad some easy some tough all with the purpose of showing them that they too are survivors like their Memere Her message Life may indeed be a roller coaster but nothing is impossible Somewhere along the line writing this book became Lorraine s therapy She began to make peace with and sense of the chronic pain that gripped her and kept her from leading the life she wanted the life she expected After all her golden years were supposed to be her happiest This b Just Try Me Ana E Ross,2023-08-21 In this series starter collection you ll enjoy sizzling chemistry gripping family dramas jaw dropping secrets and soul healing experiences Just Try Me lets you sample the first book in each of Ana s series and find out why her fans can t get enough of her steamy billionaire romances Billionaire Brides of Granite Falls The Doctor s Secret Bride Erik has vowed never to fall in love again after his wife died tragically but when he meets irresistible Michelle his seven year old daughter s new nanny he finds it hard to abide by his own set of rules Beyond Granite Falls Loving Yasmine Can Robert convince Yasmine to move beyond her fears of commitment and give love and marriage a chance or will she hold fast to her notions and let this hunk of a man fall into the arms of another woman Billionaire Island Brides Seduced by Passion Love is the last thing on Raph s mind when he finds himself in Akilina honoring his grandfather s dying wish That is until he meets Xio on the verge of losing everything her family has built Will they surrender to the
