Jensen, 2018-08 Rethinking the Wittenberg Concord for Today One of the mostly forgotten gems of the sixteenth century Reformation is the Wittenberg Concord Signed in 1536 by representatives of evangelical southern German imperial cities and territories and the Lutherans the dialogue that led to the concord provided space for the participants to have a meaningful dialogue that led to the recognition of each other's understanding of the sacraments as orthodox This was remarkable given the very public failures at Marburg in 1529 and Augsburg in 1530 The lack of agreement threatened the unity of the evangelical estates and made them along with the Reformation teachings vulnerable to attack by the Holy Roman Empire and the Roman Catholic Church The dialogue participants created enough space in their own understandings of the sacraments of baptism absolution and the Lord's Supper to allow the agreement to occur and function reasonably well at least until the beginning of the Thirty Years War in 1618 The final two chapters explore how this concord has impacted the church since its acceptance and how the lessons learned from this dialogue can assist churches today in providing healthy spaces for ecumenical dialogue to discuss controversial issues Until Our Last Breath Michael Bart, Laurel

Corona, 2008-05-13 A powerful tale of the triumph of love under extremely difficult conditions tells the story of a married couple who were part of the Jewish Resistance Publishers Weekly At his father's funeral one of the mourners told Michael Bart that the gravestone should include a reference to the Freedom Fighters of Nekamah to honor Leizer Bart's involvement in the Jewish resistance movement in Vilna now Vilnius Lithuania at the end of World War II Michael had never heard his parents referenced as Freedom Fighters Michael embarked on a ten year research project to find out more details about his parents time in the Vilna ghetto where they met fell in love and married and about their activities as members of the Jewish resistance Until Our Last Breath is the culmination of his research and his parents story of love and survival Zenia Bart's mother was born and raised in Vilna Leizer fled there to escape the Nazi invasion of his hometown of Hrubieszów in Poland They were married by one of the last remaining rabbis ninety days before the liquidation of the ghetto Zenia and Leizer along with about 120 members of the Vilna ghetto underground escaped to the Rudnicki forest They became part of the Jewish partisan fighting group led by Abba Kovner known as the Avengers which carried out sabotage missions against the Nazi army and eventually participated in the liberation of Vilna Until Our Last Breath is intensely personal and painstakingly researched a lasting memorial to the Jews of Vilna A work of exceptional historical importance Booklist Appeals equally to the head and the heart Kirkus Reviews *Biennial Report* Wisconsin Bureau of Labor and Industrial Statistics, 1899
