Ten Notable Women of Modern Latin America James D. Henderson, Linda R. Henderson, Suzanne M. Litrel, 2023-10-27 In 1930s rural Argentina a determined fifteen year old left an isolated poverty stricken life to find her fortune in the Paris of South America Buenos Aires There with few connections little education but plenty of persistence Maria Eva Duarte gained a toehold in the city's artistic scene Eva Evita then navigated the radio revolution to fortune providing for her mother and siblings along the way She caught the eye of rising political star Colonel Juan Perón and with him she rode the pro labor wave all the way to the presidential palace The story of Eva Duarte Perón highlights not just her own extraordinary life but the opportunities seized by women of all classes and backgrounds in post independence modernizing Latin America This work offers an alternate method for understanding modern Latin America and its history The ten figures treated are ethnically mixed of African Indigenous European and mestiza heritage They include figures from all social classes geographic settings and occupations seen in Latin America and they acted over the entirety of the more than two centuries of the modern period Through their stories the reader comes away with a deeper understanding of this rich diverse region

Women in World History Bonnie G. Smith, 2019-10-31 *Women in World History* brings together the most recent scholarship in women's and world history in a single volume covering the period from 1450 to the present enabling readers to understand women's relationship to world developments over the past five hundred years Women have served the world as unfree people often forced to migrate as slaves trafficked sex workers and indentured laborers working off debts Diseases have migrated through women's bodies and women themselves have deliberately spread religious belief and fervor as well as ideas They have been global authors soldiers and astronauts encircling the globe and moving far beyond it They have written classics in political and social thought and crafted literary and artistic works alongside others who were revolutionaries and reform minded activists Historical scholarship has shown that there is virtually no part of the world where women's presence is not manifest whether in archives oral testimonials personal papers the material record evidence of disease and famine myth and religious teachings and myriad other forms of documentation As these studies mount the idea of surveying women's past on a global basis becomes daunting This book aims to redress this situation and offer a synthetic world history of women in modern times

Gender Susan Kingsley Kent, 2021 *Gender* exists in almost every society as a way of organizing its people Gender is used to assign certain responsibilities obligations and privileges to some and to deny them to others In *Gender A World History* Susan Kingsley Kent tells the story of this seemingly simple but in fact quite complex concept With historical

perspective she critically examines our everyday understandings of women and men masculinity and femininity and sexual difference in general Central to this account is the conviction that gender is neither natural nor innocent What passes for masculinity and femininity in one society might not do so in another Even the passing of time can change what gender looks like in a particular culture Thinking about the history of gender can also shed light on other types of relations such as those between a government and its people between different social classes and between a colony and its colonizer Ranging from prehistory to the present this book presents a chronological picture of gender across the globe From Hatshepsut and the rise of patriarchy in the ancient world to the Bushido code of the samurai in wartime to Susan B Anthony and the women s rights movement in the United States to the gay and trans rights movements of today the force of gender in world history cannot be denied

Marked Women Rebecca G. Martínez, 2018-06-05 Cervical cancer is the third leading cause of death among women in Venezuela with poor and working class women bearing the brunt of it Doctors and public health officials regard promiscuity and poor hygiene coded indicators for low class low culture and bad morals as risk factors for the disease Drawing on in depth fieldwork conducted in two oncology hospitals in Caracas *Marked Women* is an ethnography of women s experiences with cervical cancer the doctors and nurses who treat them and the public health officials and administrators who set up intervention programs to combat the disease Rebecca G Mart nez contextualizes patient doctor interactions within a historical arc of Venezuelan nationalism modernity neoliberalism and Chavismo to understand the scientific social and

political discourses surrounding the disease The women marked as deviant for their sexual transgressions are not only characterized as engaging in unhygienic uncultured and promiscuous behaviors but also become embodiments of these very behaviors Ultimately Marked Women explores how epidemiological risk is a socially culturally and historically embedded process and how this enables cervical cancer to stigmatize women as socially marginal burdens on society and threats to the health of the modern nation

Problems in Modern Latin American History James A. Wood, John Charles Chasteen, 2009

A fourth edition of this book is now available Now in its third edition this leading reader has been updated to make it even more relevant to the study of contemporary Latin America This edition includes an entirely new chapter The New Left Turn and the globalization chapter has been thoroughly revised to reflect the rapid pace of change over the past five years The book continues to offer a rich variety of materials that can be tailored to the needs of individual instructors By focusing each chapter on a single interpretive problem the book painlessly engages students in document analysis and introduces them to historiography With its innovative combination of primary and secondary sources and editorial analysis this text is designed specifically to stimulate critical thinking in a wide range of courses on Latin American history since independence

Radio and the Gendered Soundscape Christine Ehrick, 2015-07-23 This book is a history of women radio and the gendered constructions of voice and sound in Buenos Aires Argentina and Montevideo Uruguay Through the stories of five women and one radio station this study makes a substantial theoretical contribution to the study of gender mass media and political culture and expands our knowledge of these issues beyond the US and Western Europe Included here is a study of the first all women s radio station in the Western Hemisphere an Argentine comedian known as Chaplin in Skirts an author of titillating dramatic serials and of course Argentine First Lady Evita Per n Through the concept of the gendered soundscape this study integrates sound studies and gender history in new ways asking readers to consider both the female voice in history and the sonic dimensions of gender

Feminism for the Americas Katherine M. Marino, 2019-02-05 This book chronicles the dawn of the global movement for women s rights in the first decades of the twentieth century The founding mothers of this movement were not based primarily in the United States however or in Europe Instead Katherine M Marino introduces readers to a cast of remarkable Latin American and Caribbean women whose deep friendships and intense rivalries forged global feminism out of an era of imperialism racism and fascism Six dynamic activists form the heart of this story from Brazil Bertha Lutz from Cuba Ofelia Dom ngez Navarro from Uruguay Paulina Luisi from Panama Clara Gonz lez from Chile Marta Vergara and from the United States Doris Stevens This Pan American network drove a transnational movement that advocated women s suffrage equal pay for equal work maternity rights and broader self determination Their painstaking efforts led to the enshrinement of women s rights in the United Nations Charter and the development of a framework for international human rights But their work also revealed deep divides with Latin American activists overcoming U S presumptions to feminist superiority As Marino shows these early fractures continue to influence divisions among today s

activists along class racial and national lines Marino's multinational and multilingual research yields a new narrative for the creation of global feminism The leading women introduced here were forerunners in understanding the power relations at the heart of international affairs Their drive to enshrine fundamental rights for women children and all people of the world stands as a testament to what can be accomplished when global thinking meets local action Problems in Modern Latin American History John Charles Chasteen, James A. Wood, 2004 This is a completely revised and updated edition of SR Books classic text Problems in Modern Latin American History This book has been brought up to date by Professors John Charles Chasteen and James A Wood to reflect current scholarship and to maximize the book's utility as a teaching tool The book is divided into 13 chapters with each chapter dedicated to addressing a particular problem in modern Latin America issues that complement most survey texts Each chapter includes an interpretive essay that frames a clear central issue for students to tackle along with excerpts from historical writing that advance alternative or even conflicting interpretations In addition each chapter contains primary documents for students to analyze in relation to the interpretive issues This primary material includes passages of Latin American fiction in translation biographical sketches and images Designed as a supplemental text for survey courses on Latin American history this book's provocative problems approach will engage students evoke lively classroom discussion and promote critical thinking
