The Confession Jo Spain, 2018-09-11 You find out who did it on the very first page On the last page you'll find out why in this expertly plotted enthralling J P Delaney psychological suspense novel from an internationally bestselling author Late one night a man walks into the luxurious home of disgraced banker Harry McNamara and his wife Julie And when the man launches an unspeakably brutal attack on Harry a horror struck Julie frozen by fear watches her husband die Just one hour later the attacker J P Carney hands himself into the police and confesses to beating Harry to death Except he also claims that the assault was not premeditated and that he didn't know the identity of his victim With a man as notorious as Harry McNamara who was just found innocent in a highly sensationalized fraud trial the detectives cannot help but wonder Was this really a random act of violence Was Julie really powerless to stop JP When Harry's many sins are unveiled to include corruption greed and betrayal nothing is for sure This gripping psychological thriller will have you questioning who of Harry Julie and JP is really the guilty one And is Carney's surrender driven by a guilty conscience or is his confession a calculated move in a deadly game Brilliant and ice pick sharp The Confession is perfect for fans of B A Paris and Fiona Barton
