Wives Cheating, Husbands Watching: Vol. 1 Gustav Jorgenson,2013-07-11 This collection of graphically erotic short vignettes explores the complex emotions of husbands watching wives with other men This is sometimes called the hotwife fantasy Unlike other cuckold stories these are not stories of malicious women seeking to humiliate their partners but rather of loving wives seeking to break free of the sexual doldrums that so many middle aged couples fall into

Wives Cheating, Husbands Watching Gustav Jorgenson,2014-02-15 These are stories about loving couples who are seeking out that transgressive spark to reignite the desire between them The women do this by granting strange men access to their sexuality which is normally reserved for their husband or boyfriend They are breaking the rules and bringing novelty and mystery back into their stable predictable relationships They are shaking things up and renewing themselves as objects of desire The first section is about dominant women who are confidently journeying into unexplored erotic territory with new men The second section is about women who are pursued and submit to the aggression of other men recognizing that their misconduct will help their own husband or boyfriend see them with new eyes The third section is comprised of some older shorter pieces that are punchier and jump right into the action Some of the fantasies explored in this collection include A woman strips for her boyfriend s buddies demanding that they honestly rate her body A wife goes back into the bar to perform oral favors for a jerk who just fought with her husband A husband comes home late from work to find his wife drinking with his friends dressed only in her skimpy lingerie An aggressive man talks a couple he just met in a coffee shop into letting the wife come back to his studio to sit for a nude portrait A rough jock crashes a geeky board game party and takes liberties with the giggling bespectacled wife of a nervous nerd

Wives Gone Wild Dylan Chase, 2020-07-18 Husbands who find out their wives are unfaithful Angry Sure Depressed Okay But aroused Yes 6 stories show husbands going through the realization that learning listening watching and even helping their wives play around with other men can be the most powerful turn on of all especially when their wives and new boyfriends rub their noses in it Do they ever win them back Or must they simply get used to the new normal **Dominant Wives Society and Their Cuckold Husbands** Candy Kross, 2014-04-10 I once saw a video of a cuckoldress preparing for her date Her husband was wearing a chastity device which seems to have become popular with the more dominant wives in a cuckold marriage these days The cuckoldress makes her husband prepare her bath and she has him bathe her While he is bathing her she is talking about how she is going to have fun with her lover that night Her cuckold husband gets excited but can't get an erection because of the device she has locked on him The physical and mental torture was very exciting to him and he was getting aroused by the minute as she continued to talk about all the things she and her lover were going to do to each other She went body part by part telling him how hard she was going to play As her cuckold husband shaves her legs and then her toy box area she talks about how smooth her toy box is and that she loves the fact that her husband is preparing her toy box for her lover to enjoy She taunts her husband about him not being able to enjoy and savor her freshly cleaned toy box that he will only be able to enjoy it after her lover has used her well Once her cuckold husband dries her off he lathers up

her body lightly sprays her with expensive perfume that she only bought to wear for her lover He then piece by piece dresses his wife First her panties then her bra then her stockings and garter He then helps her with her make up and adds her lipstick Next he puts on her sexy dress that she had specially picked out for her lover that night The husband zips her up and adds her jewelry necklace earrings and a bracelet Last he puts on her shoes as she sits at the foot of their bed He latches her strap on high heels She then stands up looks herself over in the mirror and approves of how sexy she looks for her lover Her cuckold husband agrees of how beautiful she is She then walks out the front door then turns and tells him not to wait up for her but in all reality that is exactly what he is going to do
