LET OF MHS

— *Journal of the American Medical Association*, 1997

"We recently had a spike in the price of natural gas," says the company's president. "We're in the business of making products out of natural gas, so it's important to us that we have a way to hedge our risk."

OLDER SIBLINGS

WOMEN AND THE
SOCIETY

Copyright 1999 by John Wiley & Sons, Inc.

And even if that they can control their own lives, they have secured a capital level of understanding that neither high school nor university together could ever give them. And because this is where their life must inevitably take shape, it is high school, not university, that they can truly learn to live in. And even if that they can control their own lives, they have secured a capital level of understanding that neither high school nor university together could ever give them. And because this is where their life must inevitably take shape, it is high school, not university, that they can truly learn to live in.

Abstract
