The Sacrament of Evangelism Jerry Root, Stan Guthrie, 2011-04-01 A recent statistic suggests that 15% of the churches in America are growing but only 2.2% are growing evangelistically Much of the church in America has lost its evangelistic zeal and forgotten how to re-ignite it this book is an attempt to light the fuse of the powder keg so that the church long distracted by so many things might return to its primary mission in the world We do not take Christ to anyone He is already there We go to make explicit what we see Him doing implicitly It is not a question of whether God is at work in His world Our hope is to see more of God s people at work with Him Learn about why we share our faith Christ s role in our evangelism the deep longings in all our hearts and how to effectively live a sacramentally evangelistic lifestyle We are offering a way of looking at life and the world that is open to God s presence everywhere This approach is called sacramental And where better to experience God s presence than in His workplace This is the Sacrament of Evangelism
