Shifter Squad: Bundle 2 J.C. Diem, 2016-03-30 This bundle includes books 4-6 of the Shifter Squad series. Rogue Wolf: On the heels of completing their latest mission, Lexi and Reece sense another werewolf hunting in the same area. One glance into his mind tells them that there is something very wrong with him. When a body is found in the woods nearby, their intuition is proven to be correct. The shifter has turned rogue, and it is their job to hunt him down. Mark relocates the Squad to their base in West Virginia. He begins digging into a series of deaths that have taken place during the past few years. It quickly becomes apparent that it wasn't an accident that they crossed paths with the unstable shifter. When a camper mysteriously goes missing just a few hours away from their compound, Lexi and Reece are sent to investigate. Lexi has a feeling that Mark knows more about the rogue wolf than he is willing to admit. When their two missions unexpectedly collide, they are caught in a trap that could end up changing everything forever. Corpse Thieves: With the vampire virus slowly but surely working its way through Lexi and Reece, they must soon face down the being that has infected them or risk losing their souls to darkness. While on their way to confront Lexi's mother, the squad is called away to investigate a slew of missing corpses. Reece has his own problems to face. He is torn between his duty to his team and the lifelong dream that is now being offered to him. While he can postpone the inevitable, he will eventually have to make a decision. Not even he knows what his final choice will be. It doesn't take long before their newest mission takes a turn for the worse. Lexi is confronted with an awful truth about herself that she has been trying her hardest to deny. Her survival depends on tapping a talent that could cause her own team to turn against her if they learn of its existence. Snake Charmer: Defying the cycle of the moon that binds all shape shifters, Lexi transforms into her alter ego in an attempt to flee from her sorrow and anguish. Little does she know that no matter how far or fast she runs, she can't escape from her grief at being abandoned by her mate. Locked in her werewolf form, it takes a catastrophe to force her to become human again. Stepping back into her normal life isn't easy, but Lexi must set aside her personal problems when one of her friends goes missing during their next mission. The team needs her to step up and become an alpha in deed rather than just in name. Even during her prolonged time spent as a werewolf, the vampirism has been insidiously spreading through her. The time is coming when Lexi will reach the point of no return. Soon, she will become the very thing that the Shifter Squad hunts down and destroys.

She'll have the opportunity to practice her skills and maybe even expand on them. The more power she gains with her death magic, the less vulnerable she'll be, or so they all hope. The witch is still lurking around, trying to lure
