Treatise On The Love Of God:

Treatise on the Love of God St. Francis de Sales, 2013-08-20 *Treatise on the Love of God* is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The *Treatise* is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God s will The final three books are devoted to exploring the practical importance of God s holy love in our lives De Sales *Treatise* is a captivating depiction of love **Treatise on the Love of God** Saint Francis de Sales, Aeterna Press, 2017-05-28 THE following *Treatise* presents at first sight considerable difficulties They do not arise from any defect in the Saint s mode of expression but are inherent in his subject and manner of treatment going deep down into the roots of the Love of God Thus he speaks in his Preface and continues The first four books and some chapters of the others might doubtless have been omitted without disadvantage to such souls as seek only the practice of holy love I have been forced to say many things which will appear more obscure than they are The depths of science are always somewhat hard to sound But he tells us that the state of the minds of his age required this deeper treatment and whatever may be thought as to the best way of presenting modern religious teaching to an age so ignorant so shallow and so unthinking as is our own with regard to spiritual truths there can be no question that this masterpiece of the chief doctor of ascetic theology must not be brought down to our level but that we must raise ourselves towards it Aeterna Press **Treatise on the Love of God** Francis Sales, 2017-08 A systematic work on the love of God by a great saint in the faith St Francis de Sales brings the reader into the realm of eternal love by the truth and revelations he himself received by the grace of God *Treatise on the love of God* was completed after his well known work *Introduction to the Devout Life* St Francis touches on many subjects throughout this extensive piece including the following the heavenly birth of divine love the progress and perfection of love the exercises of holy love in prayer and the commandment of loving God above all things A marvelous work of literature for the child of God whether Protestant or Catholic Whether young or old may you truly be blessed as you read this book *Treatise on the Love of God* Saint Francis (de Sales), 1900 **Treatise on the Love of God** Saint Francis of Sales, 2007-06-01 *Treatise on the Love of God* St Francis De Sales, 2018-04-18 The meditations of St Francis of Sales on the loving nature of God and the Holy Spirit contain abundant spiritual insight this edition contains all twelve of his books complete and unabridged with annotations A superb compendium of thoughts which examine the multi faceted nature of holiness in the Christian religion the *Treatise on the Love of God* is lauded for its immense expressions of emotional and spiritual depth The supreme will of God acting in myriad ways is shown to be the origination of all love on the

Earth divined to humanity by the Son of God and in the words and lessons of the Holy Bible The author discusses topics such as God s influence over his creations the manner in which men often shun or repulse the love of God and how such love when accepted can progress a living soul s fulfillment Following the lessons of God will result in benevolence yet such a following requires humbleness we must concede to God being the source of all that is good loving and worthy in the universe For the author the attainment of closeness with the divine is both the highest good and the highest pleasure The love that flows from the being of God and how prayer is the ideal means of realizing such a beneficence are steps on each human soul s unity with the Lord Contemplating what constitutes the divine and following the instruction received during the reading of God s words are crucial parts of spiritual direction as interpreted by St Francis For St Francis spiritual growth proceeded on a series of levels The initial stages consist of good deeds and adherence to a moral code regular church attendance and a basic knowledge of the holy precepts of Christianity These are the founding basis upon which the higher tiers described in this text whereby one attains with time and dedication a measure of understanding and affinity with the holy love of God and Jesus Christ This edition contains all twelve books in their entirety together with helpful notes of scriptural references The translation of the books into modern English was accomplished by Henry Benedict Mackey an English priest and scholar whose piety and knowledge of the saintly virtues allowed for accuracy and authenticity
