R. S. Downst

Tried And Convicted How Police Prosecutors And Judges Destroy Our Constitutional Rights:

Tried and Convicted Michael D. Cicchini,2012-07-12 When an individual is accused of a crime he is provided at least in theory with numerous constitutional rights throughout the legal process These constitutional rights however are soft and flexible and are subject to a tremendous amount of manipulation by police prosecutors and judges The result is that these government agents are easily able to bypass and in fact destroy our constitutional protections This abuse of our fundamental rights is extremely dangerous Far from being mere technicalities constitutional rights benefit all citizens not just the factually guilty in ways that go unappreciated by most of us In today s hyper vigilant tough on crime climate many good people from all walks of life find themselves charged with serious crimes for behaving in ways that most of us would be shocked to learn are criminal For these reasons it is in all of our interests to ensure strong constitutional safeguards for everyone Tried and Convicted explains several individual constitutional rights that are intended to protect us from the vagaries of the criminal justice system and gives detailed examples of how government agents routinely circumvent those rights It also exposes the underlying problems that enable government agents to circumvent the constitution and concludes by offering potential solutions to these problems Using real life examples throughout Cicchini provides a wake up call for all of us

Self-Incrimination Noël Merino,2014-03-14 When you see a criminal character on a show getting busted we hear the words that always follow You have the right to remain silent The Fifth Amendment to the Constitution guarantees due process of law and protects against self incrimination The volume discusses to what extent these guarantees extend to teens Perceived or real teen rights related to cases such as In re Gault and the impact of the Miranda ruling are explored Material is drawn from a diverse selection of primary and secondary sources including journals magazines and government documents with particular emphasis on Supreme Court and other court decisions
