Yankels Tavern Jews Liquor And Life In The Kingdom Of Poland

Antony Polonsky

Yankels Tavern Jews Liquor And Life In The Kingdom Of Poland:

Yankel's Tavern Glenn Dynner, 2014-11-01 Awarded Honorable Mention for the Jordan Schnitzer Book Award In nineteenth century Eastern Europe the Jewish run tavern was often the center of leisure hospitality business and even religious festivities This unusual situation came about because the nobles who owned taverns throughout the formerly Polish lands believed that only Jews were sober enough to run taverns profitably a belief so ingrained as to endure even the rise of Hasidism's robust drinking culture As liquor became the region's boom industry Jewish tavernkeepers became integral to both local economies and local social life presiding over Christian celebrations and dispensing advice medical remedies and loans Nevertheless reformers and government officials blaming Jewish tavernkeepers for epidemic peasant drunkenness sought to drive Jews out of the liquor trade Their efforts were particularly intense and sustained in the Kingdom of Poland a semi autonomous province of the Russian empire that was often treated as a laboratory for social and political change Historians have assumed that this spelled the end of the Polish Jewish liquor trade However newly discovered archival sources demonstrate that many nobles helped their Jewish tavernkeepers evade fees bans and expulsions by installing Christians as fronts for their taverns The result a vast underground Jewish liquor trade reflects an impressive level of local Polish Jewish co existence that contrasts with the more familiar story of anti-Semitism and violence By tapping into sources that reveal the lives of everyday Jews and Christians in the Kingdom of Poland *Yankel's Tavern* transforms our understanding of the region during the tumultuous period of Polish uprisings and Jewish mystical revival

Abyss of Despair Nathan Nata Hannover, 1983 Providing a gripping first hand account of the Chmielnicki massacres in 1648-58 in which tens of thousands of Jews perished in Poland and the Ukraine Rabbi Nathan Hanover describes the events themselves and their effect on European Jewry Hanover's description of the atrocities committed by Chmielnicki and his hordes makes it clear that they set the precedent for Hitler's torture chambers Hanover's account of the events understood in their historical context shows how humans can transcend tragedy and rebuild their lives developing new ways to express their heritage and culture Professor Helmreich in his new introduction describes the period of relative peace and prosperity for the Jews immediately preceding the massacres He traces some of the important effects the massacre had on later Jewish history such as the rise of Messianic and Hasidic movements in the seventeenth and eighteenth centuries and the migration of Jews back toward the west where they were situated when the Enlightenment swept through Europe

The Jews in Poland and Russia Antony Polonsky, 2010-06-17 A comprehensive survey socio political economic and religious of Jewish life in Poland and Russia Wherever possible contemporary Jewish writings are used to illustrate how Jews felt and reacted to new situations and ideas

Poyln Ye'iel Yeshaia Trunk, 2007-01-01 Originally published between 1946 and 1953 Poyln Poland is one of the treasures of Yiddish literature Despite its reputation the book has not been fully translated into English until now Written by Yehiel Yeshaia Trunk a prominent Polish Jewish writer Poyln is a colorful epic a moving testimony and an important primary

historical source that presents a portrait of Polish Jewry against the backdrop of the Nazi genocide The undisputed hero of the story is the national community of Polish Jews To portray this community Trunk creates a rich gallery of characters Hassidic patricians timber merchants rich landowners brilliant Talmudists Orthodox rabbis and Hasidic tsadikim He also depicts ordinary village and small town Jews artisans shopkeepers workers and Luftmenschen all of them members of one extended family Particularly valuable aspects of Poyln are its examination of different trends in the Hasidic movement and the author's attempt to bridge the gap between his secular generation and its religious ancestors In short Trunk's work aims to show Jewishness as a way of life This is the first instalment of a multi volume edition of Poyln the first English translation to be published Here begins a story of the beauty and pathos of the world of Polish Jewry a world that was almost totally destroyed by the Nazis

Poyln Alter Kacyzne, 1999 *The Jewish Tavern-keeper and His Tavern in Nineteenth-century Polish Literature* Magdalena Opalski, 1986 Describes the image of the Jewish innkeeper in over 120 Polish literary works mainly novels and plays produced between 1820 1905 At first the Jew was portrayed as a mythical figure linking the peasants with the outside world and the forces of darkness He deceives the peasant and manipulates him to encourage his drunkenness a reflection of the press debate of the 1820s on the cause of peasant drunkenness As the only source of goods and credit he is viewed with suspicion but also seen as essential to and rooted in society After a short period of more positive images after the 1863 uprising Jews were again seen as agents of capitalism acting to exploit the nobles difficulties and to dispossess the Poles By the end of the 19th century the tavern keeper is shown leaving for the town and losing his typical characteristics In popular plays for rural audiences however he remained a stock character

Jewish Self-government in the Kingdom of Poland Before the Partitions Sheldon Lilker, 1957 *The Question of Assimilation of Jews in the Kingdom of Poland (1864-1897)* Alina Cała, 1986 **1,000 Years of Jewish Life in Poland** Eleonora Bergman, 2009 The Jews in Poland Chimen Abramsky, 1987

web feb 1 2020 this work introduces the concept architecture and compilation techniques of dynamic reconfigurable computing it also discusses the existing major challenges and points out its potential applications

reconfigurable amplitude phase coding metasurface with - Feb 16 2022

web nov 8 2023 recently reconfigurable coding metasurfaces have attracted extensive attention due to their dynamic and flexible manipulation of electromagnetic em waves making them an effective solution to connect physical reality and information science nevertheless most previously reported reconfigurable metasurfaces suffer from limited

introduction to reconfigurable computing searchworks catalog - Dec 29 2022

web introduction 1 general purpose computing 2 domain specific processors 3 application specific processors 4

reconfigurable computing 5 fields of application 6 organization of the book 2 reconfigurable architectures 1 early work 2

simple programmable logic devices 3 complex programmable logic device 4 field

pdf reconfigurable architectures researchgate - Jun 22 2022

web aug 26 2012 in this introduction to reconfigurable computing we give an overview of the hardware architectures of reconfigurable computing machines and the software that targets these machines such as

introduction to reconfigurable computing springer - Oct 07 2023

web introduction in reconfigurable computing provides a comprehensive study of the field reconfigurable computing it provides an entry point to the novice willing to move in the research field reconfigurable computing fpga

pdf introduction to reconfigurable computing architectures - Sep 06 2023

web jan 1 2007 introduction to reconfigurable computing architectures algorithms and applications authors christophe bobda university of florida abstract introduction to reconfigurable computing

reconfigurable computing systems ieee journals magazine - Oct 27 2022

web reconfigurable computing systems abstract reconfigurable computing is emerging as the new paradigm for satisfying the simultaneous demand for application performance and flexibility the ability to customize the architecture to match the computation and the data flow of the application has demonstrated significant performance benefits

pdf reconfigurable computing architectures researchgate - Aug 05 2023

web mar 1 2015 we survey the field of reconfigurable computing providing a guide to the body of knowledge accumulated in architecture compute models tools run time reconfiguration and applications discover
