A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four

subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Fidelity*,1990 **Prayer** Peter Kreeft,1991-10-11 In his typically lucid and original style the popular spiritual writer Peter Kreeft explores many aspects and questions about prayer the center of our spiritual lives In a series of imaginative dialogues like prayer itself Kreeft shows how prayer can be an exciting adventure an inexhaustible joy *Amphibian Diaries* John Hansel Jr.,2018-12-11 *Amphibian Diaries* is a Field Guide for Truth Seekers A little green stowaway named BP in the author s baggage teaches six principles for recognizing Truth These principles enable genuine interpersonal dialogue while searching for personal significance The reader is invited to join the LifeBet inspired by the philosophy of Blaise Pascal which states that all of us live our lives by a bet we have made there is a God or there is no God LifeBet participants commit to seven discussions about foundational life issues Origin Meaning Morality and Destiny BP and the author argue that these high level conversations while difficult are essential They are made practical and effective with SEARCH an acronym for the six principles We all have a Soul with a hole a need to be fulfilled by a significant and secure life We have an intrinsic Expectation of satisfaction that we cling to by faith We express our beliefs in terms of Answers to life s ultimate and necessary questions Origin Meaning Destiny and Morality Our Reason to believe is always a matter of logical empirical and practical variables Our beliefs are an expression of our view of the Correspondence between our ideas about reality and reality itself Intrapersonal interpersonal and inspirational Humility is required for the entire conversation Life and God Readers have access to a website with concise and insightful support materials as well as connection for interaction with the author and others www.AmphibianDiaries.com The book the website and the concept are all designed to move the reader in the direction of hope in a gentle and respectful manner It presumes that if people genuinely seek Truth they will find themselves in the freedom of God s love **The publishers weekly**,1991
