Zora Neale Hurston The Complete Stories:

The Complete Stories Zora Neale Hurston, 2008-01-08 This landmark gathering of Zora Neale Hurston's short fiction most of which appeared only in literary magazines during her lifetime reveals the evolution of one of the most important African American writers. Spanning her career from 1921 to 1955, these stories attest to Hurston's tremendous range and establish themes that recur in her longer fiction. With rich language and imagery, the stories in this collection not only map Hurston's development and concerns as a writer but also provide an invaluable reflection of the mind and imagination of the author of the acclaimed novel *Their Eyes Were Watching God*. **Zora Neale Hurston** Cynthia Davis, Verner D. Mitchell, 2013-05-09 Zora Neale Hurston 1891-1960, the most prominent of the Harlem Renaissance women writers, was unique because her social and professional connections were not limited to literature but encompassed theatre, dance, film, anthropology, folklore, music, politics, high society, academia, and artistic bohemia. Hurston published four novels, three books of nonfiction, and dozens of short stories, plays, and essays. In addition, she won a long list of fellowships and prizes, including a Guggenheim and a Rosenwald. Yet by the 1950s, Hurston like most of her Harlem Renaissance peers had faded into oblivion. An essay by Alice Walker in the 1970s, however, spurred the revival of Hurston's literary reputation, and her works, including her 1937 novel *Their Eyes Were Watching God*, have enjoyed an enduring popularity. **Zora Neale Hurston: An Annotated Bibliography of Works and Criticism** consists of reviews of critical interpretations of Hurston's work. In addition to publication information, each selection is carefully crafted to capture the author's thesis in a short, pithy analytical framework. Also included are original essays by eminent Hurston scholars that contextualize the bibliographic entries. Meticulously researched but accessible, these essays focus on gaps in Hurston criticism and outline new directions for Hurston scholarship in the twenty-first century. Comprehensive and up to date, this volume contains analytical summaries of the most important critical writings on Zora Neale Hurston from the 1970s to the present. In addition, entries from difficult-to-locate sources such as small academic presses or international journals can be found here. Although intended as a bibliographic resource for graduate and undergraduate students, this volume is also aimed toward general readers interested in women's literature, African American literature, American history, and popular culture. The book will also appeal to scholars and teachers studying twentieth-century American literature as well as those specializing in anthropology, modernism, and African American studies, with a special focus on the women of the Harlem Renaissance. **Zora Neale Hurston: The Complete Stories** Zora Neale Hurston, 2022 Zora Neale Hurston Boxed Set includes *Dust Tracks on a Road*, an intimate and insightful memoir of Zora's childhood in the rural South and her rise to prominence during the Harlem Renaissance; *Jonah's Gourd Vine*, a novel about a young man who loves too many women; *Mules and Men*, an oral history of Black American folklore featuring sermons, songs, sayings, and tall tales since the days of enslavement; *Tell My Horse*, an insider look at the voodoo culture of Haiti and Jamaica of the 1930s; *The Complete Stories*, a collection of Zora's most popular short fiction; *Every Tongue Got to Confess*, an anthology

of folktales that recounts the voices of ordinary people and celebrates the richness of Black vernacular Moses Man of the Mountain a compelling allegory of power redemption and faith that blends the Moses of the Old Testament with the Moses of black folklore and song Seraph on the Suwanee a novel examining a complicated marriage Mule Bone a three act play written with Langston Hughes that explores life in a rural Southern black community Their Eyes Were Watching God the Southern love story that is the most highly acclaimed novel in the African American literary canon Amazon com viewed on September 26 2023
