Service Manual (A4)

Includes 2004 R32 Supplement

Service to Volkswagen owners is of top priority to Volkswagen and has always included the continuing development and introduction of new and expanded services. Whether you're a professional or a do-it-yourself Volkswagen owner, this manual will help you understand, care for, and repair your Volkswagen.

Although the do-it-yourself Volkswagen owner will find this manual indispensable as a source of theory of operation and step-by-step maintenance and repair information, the Volkswagen owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician.
