The Universal Monk John Michael Talbot, 2011-04-01 The Universal Monk is about the monk in all of us In today's fast paced and often fractured culture we all seek inner peace and unity The Universal Monk is a powerful way for everyone of any state of life to find it It is written from John Michael Talbot's experience in public international ministry and as founder and spiritual father of the Brothers and Sisters of Charity a new integrated monastic community of celibates singles who can marry and families who live in an integrated monastery or in their own homes It walks us through a treatment of the current issues that face us Such as the great recession political polarization and the sex abuse crises in the church With real spiritual and lifestyle answers that come from a fully unified and integrated life in God If you are tired of the same old same old this book is for you

The Lives of Monastic Reformers 2, 2014-11-25 This volume offers translations of the twelfth century Latin vitae of four monks of the Monastery of Savigny Abbot Vitalis Abbot Godfrey Peter of Avranches and Blessed Hamo Founded in 1113 by Vitalis of Mortain an influential hermit preacher Savigny expanded to a congregation of thirty monasteries under his successor Godfrey 1122-1138 In 1147 the entire congregation joined the Cistercian Order Around 1172 two monks of Savigny Peter of Avranches and Hamo friends but very different personalities died Their stories were told in two further vitae The vitae of these four men exemplify the variety of people and movements found in the monastic ferment of the twelfth century

Understanding the Consecrated Life in Canada Jason Zuidema, 2015-12-21 The story of the consecrated life in Canada since the 1960s should be about much more than numerical decline Although the falling numbers are significant among Catholic religious in communities that pre-date Vatican II many communities continue to show stability and even growth This book provides nuance to that story by adding detailed portraits of movements communities and institutions In four parts this book presents essays from the leading scholars on religious life in Canada that seek to address the state of religious communities dedicated to religious virtuosity normally characterized by formal promises of chastity poverty and obedience The essays examine a broad range of topics related to the general state of consecrated or religious or monastic life in contemporary Canadian Christian and Buddhist traditions In the first section the contributors trace the demographics and definitions of religious life in Canada The second section examines Canadian developments in Catholic religious life during the Vatican II and the post Vatican II eras A third section explores trends in contemporary Canadian religious life while the fourth section describes the consecrated life in other Canadian religious traditions

Monasticism in Modern Times Isabelle Jonveaux, Stefania Palmisano, 2016-10-14 This book presents a broad sociological perspective on the contemporary issues facing Christian monasticism Since the founding work of Max Weber the sociology of monasticism has received little attention However the field is now being revitalized by some new research Focusing on Christian monks and nuns the contributors explore continuity and discontinuity with the past in what superficially might appear a monolithic tradition Contributors speak not only about monasticism in Europe and the United States but also in Africa and Latin America
