

"This book belongs in everybody's personal library—and that's the unvarnished truth."
—Harriet Lerner, Ph.D., author of *The Dance of Deception* and *The Dance of Anger*

DAVID NYBERG

THE VARNISHED TRUTH

TRUTH TELLING AND DECEIVING IN ORDINARY LIFE

The Varnished Truth By Nyberg David 1995 Paperback

Siddappa N.Byrareddy

The Varnished Truth By Nyberg David 1995 Paperback:

Propaganda and the Ethics of Persuasion - Second Edition Randal Marlin, 2013-09-30 This book develops a sophisticated account of propaganda and its intriguing history It begins with a brief overview of Western propaganda including Ancient Greek theories of rhetoric and traces propaganda's development through the Christian era the rise of the nation state World War I Nazism Communism and the present day The core of the book examines the ethical implications of various forms of persuasion not only hate propaganda but also insidious elements of more generally acceptable communication such as advertising public relations and government information setting these in the context of freedom of expression This new edition is updated throughout and includes additional revelations about a key atrocity story of World War I

A Code of Jewish Ethics: Volume 1 Rabbi Joseph Telushkin, 2009-02-04 A Code of Jewish Ethics Volume 1 You Shall Be Holy is the initial volume of the first major code of Jewish ethics to be written in the English language It is a monumental work on the vital topic of personal character and integrity by one of the premier Jewish scholars and thinkers of our time With the stated purpose of restoring ethics to its central role in Judaism Rabbi Joseph Telushkin offers hundreds of examples from the Torah the Talmud rabbinic commentaries and contemporary stories to illustrate how ethical teachings can affect our daily behavior The subjects dealt with are ones we all encounter They include judging other people fairly knowing when forgiveness is obligatory optional or forbidden balancing humility and self esteem avoiding speech that shames others restraining our impulses of envy hatred and revenge valuing truth but knowing when lying is permitted understanding why God is the ultimate basis of morality and appreciating the great benefits of Torah study Telushkin has arranged the book in the traditional style of Jewish codes with topical chapters and numbered paragraphs Statements of law are almost invariably followed by anecdotes illustrating how these principles have been or can be practiced in daily life The book can be read straight through to provide a solid grounding in Jewish values consulted as a reference when facing ethical dilemmas or studied in a group Vast in scope this volume distills more than three thousand years of Jewish laws and suggestions on how to improve one's character and become more honest decent and just It is a landmark work of scholarship that is sure to influence the lives of Jews for generations to come rich with questions to ponder and discuss but primarily a book to live by

A Code of Jewish Ethics: You shall be holy Joseph Telushkin, 2006 Presents the first major code of Jewish ethics to be written in English offering examples from the Torah the Talmud rabbinic commentaries and modern stories to show how ethical teachings can influence daily behavior

Rhetoric and Social Relations Jon Abbink, Shauna LaTosky, 2021-02-02 This volume explores the constitutive role of rhetoric in socio cultural relations where discursive persuasion is so important and contains both theoretical chapters as well as fascinating examples of the ambiguities and effects of rhetoric used unconsciously in social praxis The elements of power competition and political persuasion figure prominently It is an accessible collection of studies speaking to common issues and problems in social life and shows the heuristic and often explanatory

value of the rhetorical perspective **The Challenge of Affluence** Avner Offer, 2006-03-09 Since the 1940s Americans and Britons have experienced rising material abundance but also a range of social and personal disorders including family breakdown obesity and addiction Drawing on the latest cognitive research Avner Offer presents a detailed and reasoned critique of the modern consumer society **Interpreting Chekhov's Prose** Leonard A. Polakiewicz, 2024-08-06 The essays collected in this book constitute a new contribution to our understanding of the originality and significance of Chekhov's prose A close textual analysis of his work is provided and especially of previously neglected works some long overdue for in depth investigation that Chekhov himself rightfully considered to be masterpieces Analysis of both these and other previously analyzed works offers a new interpretation which contrasts with those offered by previous Chekhov scholars Works examined include those dealing with Chekhov's astonishingly accurate and artistic portrayal of a wide variety of illnesses without the use of any medical terms These works are shown to be not mere clinical studies but genuine impressive works of art The author who suffered half of his life from tuberculosis effectively portrayed many characters afflicted with this disease which was incurable at the time Many of these works reveal an indisputable symbiosis of the doctor and the artist Chekhov maintained that in Goethe the poet lived amicably side by side with the scientist a fitting description of him as well Doctors the most frequently portrayed characters in Chekhov's oeuvre are appropriately subjected to extensive analysis as are the themes of fate and death and dying that figure so prominently in Chekhov's work Attention is accorded to imaginative fictional works dealing with philosophy and the theme of crime and punishment as well as *The Island of Sakhalin* a narrative of non fictional sociological content [Index to Book Reviews in Religion](#) , 1995 **Forthcoming Books** Rose Army, 1995-02 [Reasonable Children](#) Michael S. Pritchard, 1996 The public outcry for a return to moral education in our schools has raised more dust than it's dispelled Building upon his provocative ideas in *On Becoming Responsible* Michael Pritchard clears the air with a sensible plan for promoting our children's moral education through the teaching of reasonableness Pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills Reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community In such an environment children learn to work together to listen to one another to build on one another's ideas to probe assumptions and different perspectives and ultimately to think for themselves Advocating approaches to moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind abstractions He makes liberal use of actual classroom dialogues to illustrate children's remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility He also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church

and state Pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers The result is a rich and insightful work that provides real hope for the future of our children and their moral education **The Philosopher's Index** ,1996 "*High-topped Shoes*" and *Other Signifiers of Race, Class, Gender, and Ethnicity in Selected Fiction by William Faulkner and Toni Morrison* Tommie Lee Jackson,2006 Focusing primarily on selected fiction by William Faulkner and Toni Morrison this book explores the myths embedded in historical and modern artifacts such as the high topped shoe and high heeled slipper and their impact on the construction of ethnic and gender roles Combining anthropology and women s studies this work is an interesting new study of race gender class and ethnicity in literature **Virtuous Persons, Vicious Deeds** Alexander E. Hooke,1999 This anthology helps students view virtue ethics as a significant and philosophically interesting approach to the good life With the inclusion of historical and contemporary readings Virtuous People Vicious Deeds captures the complex nature of a wide range of virtues and vices Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 Ethics in Human Communication Richard L. Johannesen,1996 Johannesen has given readers a fourth edition rich with traditional contemporary perspectives on ethics its role in human interaction **Talking Book Topics** ,1997 Includes audio versions and annual title author index **Chicago Tribune Index** ,1993 **The Journal of Speculative Philosophy** ,1995 *Power and Gender in Southern African History* Manelisi Genge,1999 **Perspectives on Science and Christian Faith** ,1995 **Book Review Digest** ,1995
