COFFEEHOUSE  
WITS  
1890 - 1938

A novel for coffee  
consumed in European culture  
1999

TRANSLATED, EDITED, AND WITH AN INTRODUCTION BY

HAROLD B. SEGEL

# The Vienna Coffeehouse Wits 1890 1938

**Bryan R. Simms**

## **The Vienna Coffeehouse Wits 1890 1938:**

The Vienna Coffeehouse Wits, 1890-1938 Harold B. Segel, 1993 Segel's extensive introduction provides a wealth of information concerning the social political and cultural background of turn of the century Vienna The eight artists assembled here are concerned with their world Austria and particularly Vienna They exchange ideas argue gossip tell stories read each other's works and even write in the coffeehouse *The Viennese Café and Fin-de-Siècle Culture* Charlotte Ashby, Tag Gronberg, Simon Shaw-Miller, 2013-01-01 The Viennese café was a key site of urban modernity around 1900 In the rapidly growing city it functioned simultaneously as home and workplace affording opportunities for both leisure and intellectual exchange This volume explores the nature and function of the coffeehouse in the social cultural and political world of fin de siècle Vienna Just as the café served as a creative meeting place within the city so this volume initiates conversations between different disciplines focusing on Vienna at the beginning of the twentieth century Contributions are drawn from the fields of social and cultural history literary studies Jewish studies and art and architectural and design history A fresh perspective is also provided by a selection of comparative articles exploring coffeehouse culture elsewhere in Eastern Europe *The Coffee-House* Markman Ellis, 2011-05-12 How the simple commodity of coffee came to rewrite the experience of metropolitan life When the first coffee house opened in London in 1652 customers were bewildered by this strange new drink from Turkey But those who tried coffee were soon won over More coffee houses were opened across London and in the following decades in America and Europe For a hundred years the coffee house occupied the centre of urban life Merchants held auctions of goods writers and poets conducted discussions scientists demonstrated experiments and gave lectures philanthropists deliberated reforms Coffee houses thus played a key role in the explosion of political financial scientific and literary change in the 18th century In the 19th century the coffee house declined but the 1950s witnessed a dramatic revival in the popularity of coffee with the appearance of espresso machines and the coffee bar and the 1990s saw the arrival of retail chains like Starbucks A Rich Brew Shachar M Pinsker, 2018-05-15 Finalist 2018 National Jewish Book Award for Modern Jewish Thought and Experience presented by the Jewish Book Council Winner 2019 Jordan Schnitzer Book Award in the Jewish Literature and Linguistics Category given by the Association for Jewish Studies A fascinating glimpse into the world of the coffeehouse and its role in shaping modern Jewish culture Unlike the synagogue the house of study the community center or the Jewish deli the café is rarely considered a Jewish space Yet coffeehouses profoundly influenced the creation of modern Jewish culture from the mid nineteenth to mid twentieth centuries With roots stemming from the Ottoman Empire the coffeehouse and its drinks gained increasing popularity in Europe The otherness and the mix of the national and transnational characteristics of the coffeehouse perhaps explains why many of these cafés were owned by Jews why Jews became their most devoted habitués and how cafés acquired associations with Jewishness Examining the convergence of cafés their urban milieu and Jewish creativity Shachar M Pinsker argues that cafés anchored a silk road of modern Jewish culture

He uncovers a network of interconnected caf s that were central to the modern Jewish experience in a time of migration and urbanization from Odessa Warsaw Vienna and Berlin to New York City and Tel Aviv A Rich Brew explores the Jewish culture created in these social spaces drawing on a vivid collection of newspaper articles memoirs archival documents photographs caricatures and artwork as well as stories novels and poems in many languages set in caf s Pinsker shows how Jewish modernity was born in the caf nourished and sent out into the world by way of print politics literature art and theater What was experienced and created in the space of the coffeehouse touched thousands who read saw and imbibed a modern culture that redefined what it meant to be a Jew in the world *Austrian Exodus* Edward Timms, Ritchie Robertson, 1995 Following the German annexation of Austria in 1938 and the intensified persecution of the Jews the British and American governments relaxed their restrictions on immigration and issued entry visas to tens of thousands of German speaking refugees The resulting exodus can be seen as the most significant cultural migration of modern times For the majority of the refugees from National Socialism came from educated backgrounds and they included some of the most gifted members of the cultural elite The remarkable contributions made by refugees from Austria to the cultural life of the English speaking world form the subject of this book which reviews the achievements both of refugee organisations and of outstanding individual authors including Stefan Zweig Erich Fried Hilde Spiel Josef Fraenkel Felix Pollak and Elias Canetti Their commitment to the struggle against fascism exemplified by the political cartoons of Joseph Otto Flatter also provided an inspiration for the restoration of Austrian independence after the defeat of Nazi Germany Book Jacket *Revolution in Mind* George Makari, 2008 George Makari has written nothing less than a history of the modern mind But REVOLUTION IN MIND is also a tragedy It is the moving story of what we lost when the old world went up in flames Paul Auster An award winning scholar and writer delivers a definitive radically new history of Freud his disciples and the tumultuous history of psychoanalysis In this brilliant engaging and accessible work the first comprehensive history of the subject ever written renowned psychoanalyst George Makari goes past the heated debates over Freud to tell the fuller story of the origins and development of psychoanalysis in Europe Beginning with great changes in late 19th century science medicine and philosophy Makari traces the field s diverse intellectual influences and the fascinating characters who shaped its formation until 1945 Groundbreaking insightful and compulsively readable REVOLUTION IN MIND is a fascinating history of one of the most important movements of modern times *Vienna*, 2002 *Vienna* Rob Humphreys, 1997 This distinctive city guide swells with incisive listings to the best and best value Vienna offerings in hotels restaurants and night life as well as the city s famous cafes Information on Vienna s spectacular sights and day trips both inside and outside the city is featured 30 maps and plans of color maps **Haider, Jelinek, and the Austrian Culture Wars** Jay Rosellini, 2009 Austria a small country that was once part of a great empire rarely makes an appearance in the US media In the past few decades only Kurt Waldheim 1918 2007 the former Secretary General of the UN accused of war crimes J rg Haider 1950 2008 the populist

politician associated with the rise of the far right and Elfriede Jelinek 1946 who won the Nobel Prize for Literature in 2004 have been deemed worthy of more than fleeting attention The Haider Jelinek confrontation was one of the significant manifestations of the search for national identity in postwar Austria The culture wars that have raged in the country since the 1980s revolve around a fundamental question Should the country's role in the Third Reich be dismissed as an anomaly or was it an expression of innate characteristics that still lie beneath the surface of the seemingly idyllic Alpine Republic

Austrian Studies Newsletter ,1996      **Historical Dictionary of Austria** Paula S. Fichtner,1999-07-08 Fichtner's thorough documentation encompasses the country's Habsburg legacy its political and cultural elite its component provinces and its leading cities and includes a chronology introduction and bibliography      *Austriaca and Judaica* Harry Zohn,1995 This collection of essays and translations reflects the Viennese born author translator's Austrian Jewish heritage as well as representing his broad involvement as a cultural mediator between his native and adopted countries The essays on Herzl Zweig Kraus Kafka Werfel Waldinger Csokor Trakl and the winegarden songs of Vienna highlight the great Jewish contribution to Austrian culture and they are supplemented and illuminated by the short prose of Zweig Herzl Beer Hofmann Polgar Buber and others      *Public Speaking in the City* Janet Stewart,2009-08-12 Janet Stewart examines the role that public speaking played in shaping and framing the urban experience around 1900 She presents case studies of acclaimed speakers such as Karl Kraus Adolf Loos and Georg Simmel to reveal connections between location speech and the metropolis in two archetypal modern cities Berlin and Vienna      *Impudent muse* Sigrid Bauschinger,2000      *Madness and Modernity* Gemma Blackshaw,Leslie Topp,2009 With its focus on a specific place and time Vienna in 1900 and on a specific theme madness *Madness and Modernity* sets out to explore artistic social and psychological themes which provide insights into the madness/modernity nexus that manifested itself in Vienna at the turn of the twentieth century      **Schoenberg, Berg, and Webern** Bryan R. Simms,1999-04-30 The Second Viennese School as a historical concept Joseph Auner Musical culture in Vienna at the turn of the Twentieth Century Margaret Notley Wiener Moderne and the tensions of Modernism Dagmar Barnouw Arnold Schoenberg Bryan R Simms Alban Berg David Schroeder Anton Webern Anne C Shreffler The legacy of the Second Viennese School Jonathan W Bernard      **Commentary** ,2000      *Year Book* ,1994      *The American Scholar* William Allison Shimer,1994      *Historical Abstracts* ,1994 Vols 17 18 cover 1775 1914
